Currency Office at the Presidency, I have the honor to inform you that the Account-

ant-General, Madras, in his letter No. 70, dated 23rd April 1879, to the Executive Engineer, Presidency Division, stated that the works as sanctioned in G.O., No. 428 W., dated 11th February 1879, were not required as the Currency Department had been transferred to its former room, and requested that the copper vault for that office according to the original plan and estimate might be constructed. The Accountant-General further requested that the doors of the strong rooms which are made of iron bars with wire between should be strengthened by the addition of cross bars of thinner iron so as to prevent the extraction of coin bags. These works, under the orders conveyed in the Government Order first quoted above, were authorised by my predecessor to be proceeded with on emergency. The plan and estimate, amounting to Rupees 590, for the copper vault, which have been approved by the Accountant-General, are herewith forwarded. Funds for the work have been appropriated from the current year's Budget Grant for New Works under Provincial, Civil Buildings.

✓ No. 196. ORDER THEREON, 29th July 1879, No. 1,976 W.

The plan and estimate of Rupees 599 for making certain alterations at the Accountant-General's Office in Fort St. George are sanctioned.

2. It is observed that under paragraphs 5 and 6 of G.O., No. 778 W., dated 4th March 1879, the Superintending Engineer has appropriated the necessary funds for the work from the Minor Works Grant at his disposal under Provincial, Civil Buildings.

3. This sanction has been registered as Provincial No. 31 B of 1879-80.

With reference to paras 5 and 6
of G.O. No. 4781, dated 14th March 1879,
ordering the execution on emergency
of the works connected with the
Currency office at the Presidency,
I have the honor to inform you that
the Accountant General Madras,
in his letter No. 70, dated 23rd April
1879, to the Executive Engineer Presi-
- dency Division, stated that the
works as sanctioned in G.O. No.
423 B dated 11th February 1879, were
not required as the Currency
Department had been trans-
- ferred to its former room, and
requested that the copper vault
for that office according to the
original Plan and Estimate be

might be constructed. The Accountant
General further requested that
the doors of the strong rooms
which are made of iron bars
with wire between should be
strengthened by the addition of
cross bars of thinner iron so as
to prevent the extraction of coin
bags. These works, under the orders
conveyed in the G.O. first quoted
above, were authorized by my pre-
decessor to be proceeded with
on emergency. The Plan and Esti-
mate amounting to Rs 590 for
the copper vault, which have
been approved by the Account-
ant General, are herewith forwarded.
Funds for the work have been
appropriated from the current
year's Budget grant for New Works
under Provincial Civil Buildings.

I have the honor to be
Sir

Your most obedient servant
