has disallowed the sum of Rs 50 charged in the Contingent bill for January 1879 an account of house rent of the Vizagapatam Divisional Office and has stated that the special sanction of Government is necessary for the admission of the charge -

2 The amount sanctioned in G.O. No. 3317 dated 8<sup>th</sup> December 1876 for rent of late District Engineer's Office was Rs 50 per Mensem and the undersigned requests the Superintending Engineer to be good enough to move Government to sanction the same amount for rent of Divisional Office. The accommodation now required is more than was necessary for a District Engineer's Office, as accounts are included and also large storage room for divisional stores is required.
