PROCEEDINGS OF THE BOARD OF REVENUE, dated 17th June 1879.

Read the following letter from the President of the Local Fund Boards, Kistna District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 15th May 1879, No. 188 :—

With reference to Proceedings, No. 679, of 14th March 1879, I have the honor to submit the estimates, &c., of the road from Vinukonda to Cumbum, with the Resolution of the Local Fund Board sanctioning the work but deferring execution.

2. The Board of Revenue are aware of the insolvent condition of the Guntur Road Fund, and that no allotment can safely be proposed in the current year until the sanctioned budget is received.

3. The work was undertaken in 1876-77 for the relief of the famine-stricken in the neighbourhood, and earthwork to the extent of 12 miles 7 furlongs was done for Rs. 5,532.

4. The earthwork is so laid out that the road may be metalled when the Local Fund Board can afford it.

5. The estimate promised by the Superintending Engineer for the road from Narsaraopet to Vinukonda has not yet been received from him; a reminder has again been addressed him.

6. In regard to the road from Iylur to Guntur, the Board of Revenue have called upon the Public Works Department to report the probable outlay likely to be incurred in excess of the estimate and what the sale of materials would fetch.

7. The excess charge in connection with the road from Kowtaram to Gudivada has been sanctioned in G.O., No. 420, of 6th March 1879, Financial Department.

Enclosure No. 1.—Plans.

Enclosures Nos. 2 and 3.—Estimates.

Enclosure No. 4.—Extract from Proceedings of Local Fund Boards.

The estimate for the road from Vinukonda to Cumbum, amounting to Rs. 7,400, is submitted for the sanction of Government.

2. Special attention is also requested to paragraph 5 of the President's letter, from which it appears that an estimate for the road from Narsaraopet to Vinukonda has not yet been submitted by the Public Works Department although expenditure on the road in question has been under objection since April 1877.
