PUBLIC WORKS DEPARTMENT.

Read the following paper:—

No. 19. Endorsement of the Superintending Engineer, Fourth Circle, dated Coimbatore, 12th July 1879, No. 454.

From Major J. L. L. MORANT, R.E., Executive Engineer, Nilgiris, to the Superintending Engineer, Fourth Circle, Coimbatore, dated Ootacamund, 17th June 1879, No. 281.

I HAVE the honor to submit for sanction and provision of funds the enclosed estimate, amounting to Rupees 630, for repairing the bridges on the old Cooneor Ghaut Road. The Nilgiri Local Fund Board have no funds at their disposal to allot to this work. The Cooneor old ghaut is an important line of communication, by which men and cattle go down and come up the hills daily in great numbers, and it is very desirable therefore that the wooden bridges which are now more or less in a dilapidated state on the ghaut should speedily be attended to. The amount annually provided for the maintenance of the road is only Rupees 990 which hardly suffices to keep it in fair order. I beg to add that the estimate cannot possibly be reduced.

SUBMITTED for sanction and provision of funds. The old ghaut is used greatly by pack-bullocks and coolies, which take up a considerable portion of goods that go up and down the hills.

(Signed) P. MONTGOMERIE, Major, R.E.,
Suptg. Engineer, Fourth Circle.

No. 20. ORDER THEREON, 2nd August 1879, No. 2,033 W.

THE estimate is sanctioned, and the required funds provided from the Provincial Reserve at the disposal of Government.

2. As the proposal virtually amounts to asking Government to supplement the Nilgiri Local Fund grant, it should have been submitted through the Commissioner. This course should be followed in future by the Executive Engineer in like cases.

3. This sanction has been registered as Provincial No. 34 B of 1879-80.
