GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

8th August 1879, No. 2,061 W.

General.
Establishment.

Read the following paper :—

No. 42. Endorsement of the Superintending Engineer, Fourth Circle, dated Coimbatore, 27th June 1879, No. 428.

From Major J. L. L. MORANT, R.E., Executive Engineer, Nilgiris, to the Superintending Engineer, Coimbatore, dated Ootacamund, 19th June 1879, No. 287.

At the instance of the Examiner, Public Works Accounts, I have the honor to request that you will be good enough to apply to Government to authorise that officer to continue to pass the ordinary Wynad allowance of 50 per cent. admissible under Public Works Code, Chapter IV, Section IV, paragraph 21, on the salary and travelling allowance of Messrs. P. Pereira and J. C. Walker, Sub-Overseers employed in the South-East Wynad. For further particulars I beg to refer you to the following papers :—

1. Disallowance List No. 22 of 1879-80.
2. Examiner's rejoinder No. 1, with reference to the above list.
3. Copy of this office No. 229, dated 19th May 1879, to the Superintending Engineer.

From Major J. L. L. MORANT, R.E., Executive Engineer, Nilgiris, to the Superintending Engineer, Coimbatore, dated Ootacamund, 19th May 1879, No. 229.

With reference to your memorandum No. 7 N.G., of the 12th instant, with accompaniment herewith returned, I have the honor to state that J. Vidialingum Pillay, late Local Fund Overseer of this Division and afterwards an Imperial Overseer, was appointed to do duty on the Nilgiris, *vice* Sub-Conductor Overseer J. Barnes since pensioned. The latter subordinate while attached to the division was employed in the Wynad, a portion of which had been recently annexed to the Nilgiris. His successor, Vidialingum Pillay, was not however permitted to do work in the Wynad, but owing to his long experience and local knowledge of that part of the Hills he was allowed to retain charge of both the old and new Coonoor Ghats and roads and works in the vicinity of Coonoor, where he was an Overseer prior to his promotion. Mr. P. Pereira, my Head Clerk, on his transfer to the Executive branch in place of the above Local Fund Overseer, was accordingly ordered to take charge of the Wynad, where he is now employed. Mr. Walker, Sub-Overseer, ever since his appointment has been posted to the Wynad, where he works under the immediate orders of the Local Fund Overseer, and where his predecessor also worked even before this division took charge of South-East Wynad. J. Moothoosawmy Pillay, Sub-Overseer, has never been employed in the Wynad nor has any extra allowance been claimed on his behalf. I beg therefore to request you will be good enough under the above circumstances to authorise the Examiner of Public Works Accounts to continue to pass the ordinary Wynad allowance of 50 per cent., admissible under Public Works Code, Chapter IV, Section IV, paragraph 21, on the salary and travelling allowance of Messrs. P. Pereira and J. C. Walker.

SUBMITTED for favorable consideration.

(Signed) P. MONTGOMERIE, Major, R.E.,
Superintending Engineer.

THE Examiner, Public Works Accounts, will continue to pass the special Wynad allowance to the members of the department, while actually halting and doing duty in the South-East Wynad.
