Buildings and Roads.
Military Works.

Read the following paper :—

No. 52. From the Superintending Engineer, Third Circle, dated 24th July 1879,
No. 4,306.

ABSTRACT.—Requesting instructions relative to the execution of certain emergent works in Fort St. George.

No. 53. ORDER THEREON, 8th August 1879, No. 2,066 W.

The Superintending Engineer's action is approved, and expenditure on the emergent works referred to is sanctioned, funds for the purpose being provided from the Budget allotment for Repairs, Military.

2. The work "converting late office of the Examiner, Public Works Accounts, into Officers' quarters" having been exempted from the restrictive orders by G.O., No. 1,580 W., dated 12th June 1879, should be proceeded with and completed with the least practicable delay.

From

The Superintending Engineer

3rd Circle.

To:

The Chief Engineer

Public Works Department.

Sir,

With reference to G.O. No. 1764 of dated 4th July 1879 directing that no outlay is to be incurred on repairs to buildings in the Fort other than Petty. I have the honor to forward a list received from the Presidency Divisional Officer of works which he considers urgent and to request your orders as to whether the works may be proceeded with.

2. As the Executive Engineer has brought to notice that the repair to the platform of Perattah cannot be postponed without endangering life I have authorized him to proceed with the work.

3. With reference to the work "Converting the late office of the
