No. 61-A. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Chepauk, 6th August 1879, No. 105 W.

In continuation of my letter No. 97 W., dated 30th ultimo, I have the honor to forward, for the information of Government, two statements showing the progress made during the week ending 6th August 1879 in the return to this office of Schedules of Famine Relief expenditure by Civil officers and lists of completion certificates sent for entry of classification to Superintending Engineers.

2. I have to bring to notice that no progress whatever has been made in the return of schedules of expenditure since the week ending 9th July last, now nearly a month. These schedules relate to the Famine Relief outlay by Civil officers prior to September 1877, of which the details duly classified have to be furnished with the accounts of 1878-79. It is therefore highly desirable that no further delay may be permitted to occur in the return of the schedules to this office.
