From The Sup. Engineer

To The Chief Engineer
P. W. Department
Madras.

Sir,
In reply to your Memo No. 2429 of the 4th Instant requesting me to explain the necessity of my application for Rs 550 under Tools and Plant New Supplies, I beg to submit that the explanation given on the back of the application gives full and sufficient reasons:

2. Estimates amounting to Rs 450 were sanctioned by the Local Fund Board Trichinopoly Circle for Gravel Screens which were then made up but not paid for owing to the restrictive orders. The

change of system in debiting all Tools
to Provincial involves the necessity
of provision of funds under Pro-
vincial to pay for the Tools pre-
viously sanctioned by the Local
Fund Board.

Probably by an oversight
the Budget contains no provision for
Tools & Plant New supplies for the
Speciopoly Division. I have
therefore asked for the small sum
of Rs 100. to pay for any thing emer-
-gently required.

I have the honor to be
Sir

I have the honor to request that you will be so good as to take steps to have the sum of Rs 550, applied for in my No 221 L.C. of the 25th June 1879, under Tools and Plant New Supplies, allotted as early as possible, an application has since been received from the Division Officer for a further allotment of funds under this service, which can be met from the extra sum of Rs 550.

2- I take this opportunity to bring to your notice that the sum of Rupees 200, applied for in my No. 182 L.C. of the 12th ultimo under this Service has not as yet been allocated and consequently the

application from the Division Officer
for this amount to enable him to
adjust his accounts cannot be com-
plied with.
