FROM

 Postmaster General,

To
 Under
 THE SECRETARY TO GOVERNMENT,
 Public Works Department,
 FORT SAINT GEORGE.

SIR,

In reply to your Memo
 No. 2470, dated 7th July 1879, I have
 the honor to inform you that the
 proposed expenditure in regard
 to the Construction of the Post-Office
 building at Cheraumbodey is urgent
 owing to the Post-Office being now
 held in a temporary kind of
 building, the walls being of wicker
 work and mud and the roof of
 thatch. It is subject to attacks
 from white ants and requires
 repair annually. There are no
 houses at Cheraumbodey which can
 be had for rent.

The Construction of a
 Post-Office building at Annamangalam

is also urgent as the position of
the station on the line makes it
an important station, but the
building in which the Post-office
is at present held is quite
unsuited for the purpose and
a suitable house could not be
obtained even on an enhanced
rent.

I request, therefore,
that you will be so good as to move
the Government to pass orders
for the allotment of the necessary
funds in view to these works being
taken on hand as early as possible.

I have the honor to be
Sir

Your obedient servant

W. Turner

Copy of a communication from the Superintending
 Engineer to Circle to the Postmaster General Madras
 No. 2713/118, dated 27 March 1879.

With reference to your Indorsement
 No. 7161/993E of the 30 January 1879 to the District
 Engineer, Vilgiri, I have the honor to forward
 a Plan and Estimate with specification for
 Rs. 2000 for constructing a 7th class Post
 Office at Cherambady for approval.

The Executive Engineer, Vilgiri
 Division explains that provision for Cook house
 and Latrine was omitted in the first instance
 because the Extract from Supplement D of
 the Indian Post Office Manual of 1873
 which accompanied your letter No. 3686/993
 of 28 August 1878 did not provide
 for them.

Extract of para 1 from a communication
 from the Director General of the Post Office of India
 to the Postmaster General Madras No. 595 dated
 8 May 1879.

In returning the revised plan
 and estimate received with your letter No. A 32
 dated

* amounting to
 Rs. 2000 -

dated 19th April 1879 for the construction of a
seventh class Post-Office at Charambudy, I
beg to convey my sanction thereto—

Post 21027, of 1879

Copy of a communication from the
Superintending Engineer, 5th file to the
Ag Postmaster General, Madras, No 196, dated
7th April 1879. 21027/10

I have the honor to forward
for your counter-signature an estimate
amounting to Rs 1780 for constructing a
fourth class Post-office at Annamalakur
with plan and a tracing showing the
site selected for its construction.

Copy of a communication from the
Acting Postmaster General, Madras, to the
Director General of the Post Office of India
No ¹⁰¹/₁₈₇₆, dated 23rd May 1879.

I have the honor to forward herewith
with a Plan and Estimate for Rs 1780 —
for construction by the Public Works Department
of a 4th class Post office Annamalakur
and request that you will be so
good as to accord your sanction to the
measure.

It was originally intended to make
Annamalakur a Head Office as from
its position with regard to the offices along
the Line branching from it, this arrange-
ment is very desirable. But this could
not be done owing to want of
accommodation

It is proposed to carry out this work so soon as funds can be obtained for the purpose from the Minor Works grant for the current year.

In reply to your letter no ^{A/101}₁₈₇₆, dated the 23rd May 1879, I beg to convey my sanction to an expenditure of Rs 1780 (one thousand seven hundred and eighty) for the construction^x by the Department of a 4th Class Post Office at Annamayayakuram. Public Works
