Proceedings of the Board of Revenue, dated 18th December 1878, Miscellaneous No. 12,898, on letter from the Collector of Trichinopoly, dated 4th November 1878, No. 332.

I HAVE the honor to state that the Superintending Engineer, Fifth Circle, Trichinopoly, having requested me to hand over to the Executive Engineer, Trichinopoly, the old Munsif's Court-house at Puttur, referred to in G.O.,* dated 5th September 1878, No. 1,443, for holding the office of the latter, I have issued orders accordingly in anticipation of sanction. The Superintending Engineer informs me that the building, lately used by the District and Executive Engineer, will not be more than sufficient for the Superintending Engineer's office. In my letter, No. 159, dated 14th June last, I informed the Board that the building in question was not required by any of the Departments of Government here, but the recent change in the organization of the Department of Public Works has altered matters and rendered this application necessary.
