From The Superintending Engineer

To The Collector
Cuddapah.

Sir, With reference to your endorsement of 1798

Enclosure
1 Estimate.

dated the 8th ultimo, I have the honour to forward
for your approval and countersignature an
estimate of Rs 184 for the additional improve-
ments suggested for your Cutcherry buildings -

2- The difficulty in the matter is the want of
funds - The estimate being of small amount
should not be referred to the Government, but
the work cannot be carried on, as funds are
not available for appropriation -

3- I think the best way to obtain the money
would be, if you would represent to the Govern-
ment in the Revenue Department the necessity
or the great convenience, in the enclosure of the
Varamdaha to improve the accommodation of
the Offices, while it is highly advisable that
the opportunity should not be lost when the
buildings are under repair - The Government
will then probably make a grant of the small

sum asked for from their Reserve funds -

I have the honour to be,

Sir,

Your Most obedient servant.

tion -

2. There is at present no accommodation
whatsoever for the records of the Asst. Assistant
and Assistant Collectors simply the bare room
for them to sit in. This slight expenditure
will be of very great benefit -
