dispose of his tents as in the West
Coast they are except very small ones
useless.

With regard to his horse the Supg.

para I A to direct Mr. Milne to join
equipped but it must be understood
that his horse and luggage is to march
as much as practicable and not
to go by rail the whole way.

Memorandum to day 19th July 1879.

To, The Executive Engineer
Wynad Division

Sir,

I see by the Proceedings of
Government No. 1639 W dated 18th June 1879,
forwarded to me with your No. 109 dated
13th Instant. that the cost of bringing my
horse from Salem to Beypore is disallowed
I beg to point out that I obtained the sanction
of the Supp. Engineer to bring my horse with
me (Copy of letter enclosed) and that I
strictly obeyed the order therein given,
having marched my horse from Tindivanam
to Salem and conveyed him by rail from
that place to Beypore - Perhaps I may
still further point out that if I had
brought him all the way by road, a
distance of about 400 miles, I should have
been without the means of moving about
to attend to work for some time, moreover,
I would have had to hire a cart to take
me from Beypore to Wynad the cost
of which would have been 20 Rupees
and which would have been chargeable
to Government as actual expenses
between those places have been passed.

The Charge of conveying the
horse

horse of Mr. Traill of Cannanore
sub division was passed although
he brought it on his own responsi-

bility -
Under the above circumstances
I beg most respectfully to request
you will be good enough to put
my claim forward with such support
as you may think it desirous.

I beg &c

(Signed) A Milne Conductor
Superintendent.

From The Executive Engineer
Wynad Division

To, The Superintending Engineer
Fourth Circle.

Sir,
I think that if the circumstances
connected with Mr. Supervisor Milne's
claim for Railway fare for his horse
from Salem to Beypore had been more
fully stated possibly G. O. N^o 1639 W
dated 18th June 1879 might have permitted
instead of refused the claim; and
with a request that the case may be resub-
mitted to Government I forward an original
letter from Mr. Milne, and would request
reference to records of your own office to
verify copy of the one which accompanies it.

2. It will be seen that Mr. Milne
brought his horse by road from Tindivanam
to Salem 130 miles, and from Beypore
to Mannantoddy 74 miles, or a total of
204 miles, which I think reasonably compen-

with

No 1014 of 19
July 1879

with the Superintending Engineer's
proviso.

3. I have only to add that had
Mr. Milne left his horse to follow by
road while he journeyed by rail he
would not have been able to carry out
the relief of Mr. Lafrenais for at least
three weeks after his arrival in Wynad
and all that time of one or other would
have been wasted.

I have &c.
