PUBLIC WORKS DEPARTMENT.

3rd September 1879, No. 2,253 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 7. From the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 20th August 1879, No. 3,808.

Referring to the Acting Under Secretary's memorandum, No. 2,630, dated 30th July last, Public Works Department, I have the honor to forward a memorandum* in original from the Superintendent of Police, North Arcot, regarding the balance of Rupees 1,018 still due to the Reserve Inspector for the building purchased by Government for use as the Reserve Inspector's quarters at Chittur.

* No. 674, dated 12th August 1879.

2. A sum of Rupees 1,800† was sanctioned in 1876-77 as value of the above building according to the original estimate, which appears to have been framed under a mistaken impression, and the further amount (Rupees 1,018) now recommended as per revised estimate, which amounts to Rupees 2,825, appears to be reasonable and may be met this year should funds become available from the "General Reserve," or any other source at the disposal of Government if approved.

3. The enclosures received with the memorandum under reference are herewith returned.

No. 674.

OFFICIAL MEMORANDUM.

Memorandum from Chief Office, No. 3,542, dated 5th instant.

1. The undersigned has the honor to state that Rupees 500 advanced to the Reserve Inspector was finally recovered on 5th May 1877, when the last instalment of 15 rupees was paid by him.

2. On the request of the Reserve Inspector for an advance of money to build a house in Chittur, an application was submitted to the Inspector-General for Rupees 200 and the same was sanctioned. This amount was paid to the Inspector on 9th October 1873, and he repaid the same by monthly instalments of Rupees 10. He having again asked for a further advance of Rupees 300, the same was applied for and sanctioned by the Inspector-General. This amount was paid to him on 1st September 1875, and repaid by Inspector by monthly instalments of 15 rupees and thus the last instalment was paid on 5th May 1877.

Letter No. 636, dated 19th September 1873.

Letter No. 648, dated 24th August 1875.

3. On the application of the Superintendent of Police, the Range Officer in charge of Chittur Range made an approximate estimate of the property, amounting to Rupees 1,800, and this was sanctioned by Government. It will be observed from paragraph 1 of the Superintending Engineer's letter No. 4,207, that this

estimate did not include cost of labor, value of land, trees, levelling ground, out-houses, compound walls, &c., owing to a misapprehension on part of Ruthnasabapathy Pillay, the Assistant Engineer then in charge of the range. The matter was then referred by the Range Officer to the Superintending Engineer, and on the 29th May last the Executive Engineer forwarded his estimate for the amount due to the Inspector; hence the delay.

To the Assistant Inspector-General of Police, Madras.

No. 7-A. From Major H. M. VIBART, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated 18th July 1879, No. 4,207.

WITH reference to G.O., No. 28, dated 6th October 1876, sanctioning the purchase, for the use of the Police Department, of Reserve Inspector Mr. Flory's house at Chittur, and to the subsequent Government Orders noted in the margin allotting funds to meet payment for the same, I have the honor to inform you that it would appear that the sum of Rupees 1,800, at which the building was valued and paid for, does not include the cost of labor, owing to a misapprehension on the part of the Assistant Engineer Ruthnasabapathy Pillay, who prepared the valuation, that, in estimating the cost of buildings to be purchased, the value of materials only should be taken into account. It further appears that the out-houses, compound wall, the value of trees and the cost of levelling ground were also not included in the valuation, owing apparently to the house only having been mentioned in the order to the Assistant Engineer to prepare the valuation estimate.

No. 135, dated 15th January 1877.
„ 578, „ 21st February „
„ 834, „ 12th March „

2. In October last Mr. Flory brought the above omissions to the notice of the late District Engineer of North Arcot, who thereupon called for a revised estimate for the buildings, &c. This estimate, after some further correspondence on the subject, has been prepared and submitted by the Executive Engineer, Chittur Division. It amounts to Rupees 2,818, or Rupees 1,018 in excess of the original valuation. The Executive Engineer reports that the buildings have been very well constructed, that the compound has been neatly laid out and is in good order, and that the trees are good. Under the above circumstances, as Mr. Flory appears to be entitled to the balance shown to be due to him, on account of the buildings in accordance with the revised estimate now prepared, I beg to submit the matter for the orders of Government.

3. The Superintendent of Police, North Arcot, to whom the papers on this subject were forwarded by the Executive Engineer prior to their submission to this office, has stated that he considers Inspector Mr. Flory's claim just and equitable.

4. The revised estimate, amounting to Rupees 2,818, is herewith forwarded.

5. A sum of Rupees 500 was advanced to the Inspector towards the erection of the building, and this appears, from the enclosed letter No. 934, dated 27th June 1879, from the Inspector, to have been adjusted by deductions made from his pay.

From Mr. J. FLORY, Reserve and Store Inpector, to the Executive Engineer, Chittur Division, dated ———.

ADVERTING to your docket No. 531, dated 20th instant, I beg to submit that the Government advanced me Rupees 200 on the 9th October 1873 and Rupees 300 on the 1st September 18,5. This amount was deducted from my monthly salary by instalments. When my house was taken charge of in 1877 I was paid Rupees 1,800 only, and balance of Rupees 1,000 and odd are still due. I humbly request you will be pleased to see that the transaction closes as early as convenient for you.

No. 8. ORDER THEREON, 3rd September 1879, No. 2,253 W.

UNDER the explanation furnished, the revised estimate, amounting to Rupees 2,825, for the purchase of Inspector Flory's house for the use of the Police Department at Chittur is sanctioned; the difference (Rupees 1,025) between the original and revised estimate is provided from the Provincial Reserve at the disposal of Government.

2. The error in the original valuation is not creditable to the intelligence of Assistant Engineer Rutnasabapathy Pillay, by whom it was made.

3. The sanction accorded in paragraph 1 of these Proceedings has been registered as Provincial No. 40 B of 1879-80.
