GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

3rd September 1879, No. 2,254 W.

Buildings and Roads.

Civil Works.

Read the following paper :—

No. 9. From F. N. THOROWGOOD, Esq., M. INST. C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 8th August 1879, No. 28 W.

IN obedience to paragraph 7 of G.O., No. 2,016 W., of July 31st 1879, I have the honor to submit herewith a list of all employés on the Madras Harbour Works, drawing over Rupees 20 a month, or more than Rupee 1 per day, showing at the same time how their time is charged to works.

2. I have written to the Chief Engineer, Public Works Department, (letter No. 26 W., of August 1st 1879,) showing that it is absolutely necessary that I should have power over such appointments as locomotive drivers, divers and life-linemen, all of whose wages are included in the estimated rates for the work. I therefore suppose that the Government Order in question does not apply to such, and this opinion is held by the Harbour Committee.

3. I have marked with the letters A to K, the names of employés who would, I imagine, come under the meaning of "Petty Establishment," and to whom, in any future alterations, the Government Order will apply.

4. The working of the order as regards the power of the Harbour Committee to sanction appointments of others than actual workmen up to Rupees 60 per month, is calculated to be of great benefit to the carrying on of these works, and will at the same time save troubling the Government with frequent references.

5. I suppose that distinct orders will be passed for the information of the Examiner, Public Works Accounts, showing that an appointment or an increase of pay on "Petty Establishment," duly authorised by the Committee, will empower him to pass the salary. I trust however that very few such increases or appointments will now be necessary.

No. 10. ORDER THEREON, 3rd September 1879, No. 2,254 W.

WITH this letter the Superintendent, Madras Harbour Works, forwards a list of employés on the works, and the sub-heads to which their salaries are charged, in accordance with the instructions contained in G.O., No. 2,016 W., of 31st July 1879.

2. In addition to the individuals shown under the head of Establishment, the following, who appear to be employed on general duties, should also be charged to that head, and not to the various sub-heads of work:—

Mr. G. W. Lowe, Foreman of Works.
,, G. Gunther, Mechanical Engineer.
P. C. Dorasawmy Pillay, Time-keeper.
P. Narrainasawmy Naidu, Clerk.
A. Jaganaicooloo Naidu, Draughtsman.
Mr. H. C. Scott, Carriage Examiner.
,, J. D'Silva, Inspector Intercepting Sewer.
Moonesawmy Rao, Draughtsman.
Cadirvaloo Moodelly, Draughtsman.
Mr. J. Manuel, Clerk.
C. Thanigachellum Moodelly, Clerk.
Annasawmy, Godown-keeper.

3. The remaining individuals appear to be solely employed on special items of work, and their pay forms a legitimate charge against the rates for those items.

4. The following will therefore be considered the sanctioned scale of Establishment for the Harbour Works, and no alteration should be made therein except under the regular rules of the department as laid down in the Public Works Code, or the special authority granted by G.O., No. 2,016 W., dated 31st July 1879.
