I have the honor to submit
for sanction of Gov^r, Plans and esti-
mate amounting to Rs 3100 for demolish-
ing & reconstructing the Machinery Store
Room attached to the P.W. Stores Ho. in the
old Mint Buildings.

2. The Divisional Officer reports that the work is urgent as the present Building is in a dangerous state. The main walls are cracked considerably, and the roof is in a very decayed state, a number of tiles having already fallen through. The estimate provides for reconstructing the Building on entirely new foundations, as the old foundations have, on examination, been found to be cracked & not sufficiently secure to carry the weight of a new superstructure.

3. The Plan and Estimates, have been approved by the Stockholders.
