Read the following paper :—

No. 46. From Major H. M. VIBART, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated 8th September 1879, No. 5,108.

I HAVE the honor to inform you that in March last vacancies occurred among the lascars in the Chittur Division, and the Executive Engineer was requested to apply to the Vellore Divisional Officer regarding lascars in that division in excess of the sanctioned scale available for filling the vacancies in question. The Executive Engineer, Chittur Division, accordingly applied to the Vellore Divisional Officer, and having been informed by him in reply that no lascars were available in that division, entertained, without further reference to this office, new men as lascars to fill the vacancies alluded to. Subsequently it was ascertained that there were extra lascars in the Vellore Division, and these men were posted to the Chittur Division, and the services of the new men who were entertained in this division were dispensed with. The Executive Engineer, Vellore Division, who was called upon for explanation as to the cause of his having in the first instance informed the Chittur Divisional Officer that there were no extra lascars in his division, states that he misunderstood this officer's requisition, and thought that he wanted to know if any lascars could be spared from the Vellore Division, while he apparently inquired if there were any lascars in excess of the sanctioned scale.

2. The pay of the new men who were entertained as lascars by the Executive Engineer, Chittur Division, as stated above, amounts to Rupees 67-5-10, and I beg that the Examiner may be authorized to pass the same.

3. I also request that the Examiner may be authorized to pass the sum of Rupees 18-12-3, being the pay of two new men entertained by the Executive Engineer, Cuddalore Division, in place of two lascars, one, whom he had suspended for disobedience of orders, and the other who was on leave without pay. There was no necessity to entertain the new men as there were at the time in this division lascars in excess of the sanctioned scale. The Executive Engineer explains however that he entertained the men under a misapprehension of the orders of Government. Their services have been dispensed with.

No. 47. ORDER THEREON, 22nd September 1879, No. 2,407 W.

THE Examiner is authorized to admit the charges in question as a special case.

2. The Government however observe that since the issue of G.O., No. 3,674 W, dated 18th September 1878, several instances have come to notice of charges incurred in contravention of paragraph 29 of the Proceedings quoted, entailing extra expense on Government, and necessitating special applications for sanction to enable the Examiner of Public Works Accounts to admit them.

2 PUBLIC WORKS DEPARTMENT, 22ND SEPTEMBER 1879, No. 2,407 W.

3. Attention is therefore called to paragraph 2 of G.O., No. 1,182 W, dated 21st April 1879, where the principle on which new appointments are permissible is fully explained, and Superintending Engineers are directed to warn their Divisional Officers that they will hereafter be held pecuniarily responsible for any charges irregularly incurred.

Sir,

I have the honor to inform
you that in March last, vacancies oc-
curred among the Lascars in the Chittore Dn
and the Executive Engineer was requested
to apply to the Vellore Divisional Officer regard-
ing Lascars in that Division in excess of the
sanctioned scale available for filling the vacan-
cies in question. The Executive Engi-
neer Chittur Division accordingly applied
to the Vellore Divisional Officer, and
having been informed by him in reply
that no Lascars were available in that
Division, he obtained, without further
reference to this Office, new men as Lascars
to fill the vacancies alluded to. Subsequently
it was ascertained that there were in
extra Lascars in the Vellore Division
& these men were posted to the Chittore
Division

Division and the services of of the new men who were entertained in this Division were dispensed with. The Executive Engineer Vallone Division, who was called upon for explanation as to the cause of his having in the first instance informed the Behittone Divisional Officer, that there were no extra Lascars in his Division, states that he misunderstood this Officer's requisition, & thought that he wanted to know if any Lascars could be spared from the Vallone Division, while he apparently enquired if there were any Lascars in excess of the sanctioned scale.

2. The pay of the new men who were entertained as Lascars by the Executive Engineer Behittone Division, as stated above amounts to Rs 67-5-10 and I beg that the Examiner may be authorized to pass the same.

3. I also request that the Examiner may be authorized to pass the sum of Rs 18-12-3 being the pay of two new men entertained by the Executive Engineer Buddalove Division in place of two Lascars, one, whom he had suspended for disobedience of orders and the other who was on leave without pay. There was
no

no necessity to entertain ^{250/1} the new men as there were at the time in this Division, Lascars in excess of the sanctioned scale. The Executive Engineer explains however that he entertained the men under a misapprehension of the orders of Govt. Their services have been dispensed with.
