No. 164. Endorsement of the Acting Secretary to Government, Revenue Department, dated 5th April 1879.

Proceedings of the Board of Revenue, dated 2nd April 1879, No. 866.

From W. LOGAN, Esq., Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 7th March 1879, No. 44.

I HAVE the honor to inform you that the Special Assistant Collector at Maliyapuram has no house to live in. While Mr. Winterbotham was there he lived in a small uncomfortable bungalow built by an Overseer of the Public Works Department. This building was somewhat improved by Mr. Winterbotham, but at the best it is a most incommodious place, the rooms being very small, and two of them very dark. Such as it is, however, it is the best house in the station for a married officer, and when Mr. Winterbotham left it was taken by the married doctor of the detachment, and it remains in the occupation of the doctor of the detachment up to date. Mr. Underwood very reasonably complains of having no house to go to but the public bungalow. He has hitherto spent most of his time travelling about his division, but he is not unreasonably tired of this and wishes to have a house of his own.

2. At Maliyapuram there are the remains of a bungalow built on Government land by Colonel Lavie who was attached to the Police corps maintained there some years ago. The walls are still standing, and I understand that it would not be an expensive business to put a new roof on. I have written several times officially to Colonel Lavie about this building, but he has taken no notice of my letters. So I have directed Mr. Underwood to put up a notice on the land requiring the owner or his agent to remove the materials within sixty days. It is likely no more notice will be taken of this than of my letters, so, to obviate further difficulties in case any claims are in future put in, I have also directed Mr. Underwood to have the remains of the buildings valued by a Public Works Officer.

3. I would propose with the sanction of the Board and Government to have a new roof put on the building and to rebuild the out-houses, and I beg that orders may be issued to the Public Works Department to take the necessary steps. The Special Assistant Collector would, of course, pay rent for the building.

SUBMITTED for the orders of Government. The Board approve Mr. Logan's proposals.
