No. 192. From Lieutenant W. L. C. BADDELEY, R.E., Acting General Superintendent, Public Works Workshops, to the Under Secretary to Government, Public Works Department, dated Madras, 14th January 1879, No. 3,870.

With reference to your memorandum, No. 212, dated 11th instant, I have the honor to state the workshops have not exceeded the grant* sanctioned by Government for expenses of the shops for 1878-79.

* Rupees 2,45,000 G.O., No. 3,634, dated 14th September 1878.

2. The Examiner having intimated that no further credits will be granted before the revised budget contemplated in G.O., No. 4,644 W, of the 7th December 1878, was finally sanctioned by Government, funds to meet urgent demands only were applied for.

3. The Examiner placed at my credit for the current month Rupees 4,900, which was drawn to pay the Workshop Permanent Establishment and Artificers' salaries for December 1878.

4. Copy of letter addressed to the Executive Engineer, Presidency, in reply to G.O., dated 2nd January 1879, No. 2 W, stating the expenses up to December 1878 and probable requirements of the shops up to March 1878, is enclosed for information.

5. In conclusion, I would observe that all sums granted by Government for the use of the workshops are merely loans to be repaid at the close of each year.

From Lieutenant W. L. C. BADDELEY, R.E., Acting General Superintendent, Public Works Workshops, to the Executive Engineer, Presidency, dated Madras, 8th January 1879, No. 3,806.

With reference to G.O., dated 2nd January 1879, No. 2 W, received under your endorsement, No. 5,506, dated 7th January 1879, I have the honor to state that Rupees 1,66,460 were received for expenses from Government by the workshops up to December 1878, and that Rupees 35,000 will be required for expenditure in January, February, and March 1879.
