Read the following paper :—

No. 3. From Major H. M. VIBART, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 20th September 1879, No. 5,460.

I HAVE the honor to bring to your notice that, in accordance with the Buckingham Canal Rules, it will be imperative for every boat-owner (if he wishes to make use of the canal for the last three months of this calendar year) to pay for a full License for a whole year.

2. I understand that under these circumstances many boat-owners intend to lay up their boats till the close of this year. I would suggest that the Executive Engineer in charge of Buckingham Canal should be allowed to issue Licenses for three months, and charge the boat-owners, as a special case, one-fourth the fixed fee. The tolls will have to be paid of course in accordance with the Rules.

No. 4. ORDER THEREON, 2nd October 1879, No. 2,484 W.
