GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

22nd January 1879, No. 261 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 220. From F. N. THOROWGOOD, Esq., M.I.C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, Buildings and Roads, dated Madras, 18th January 1879, No. 60 W.

I HAVE the honor respectfully to ask that steps may be taken to expedite the supplying from England of articles indented for by me on 1st October 1878.

2. I find that India rubber diving dresses will not last more than four months in this climate, and that consequently new supplies must always be asked for at intervals.

3. I had reckoned on those dresses indented for on 1st October 1878 arriving at Madras before the end of December 1878; but as they have not yet arrived (nor can I hear of their having started), it is to be feared that diving will have to stop for want of dresses at the most favorable season of the year for work.

4. I would therefore ask that a telegram be sent to England ordering that the dresses, &c., be shipped at once if they are not shipped at once if they are not shipped already.

No. 221. ORDER THEREON, 22nd January 1879, No. 261 W.

ORDERED that the following telegram be sent to the Secretary of State :—

"Harbour Stores indented for in Despatch Number 56 of 1878 urgently required."

2. It is advisable that more time should be allowed by the Superintendent for indents, and that when he does not receive an advice of action having been taken on them he should again write on the subject.
