Read the following papers:—

- No. 50. From the Examiner of Public Works Accounts, dated 23rd October 1878, No. 325 W.
No. 50-A. From do. do. dated 4th August 1879, No. 104 W.
No. 50-B. From the Superintending Engineer, First Circle, dated 6th September 1879, No. 932 K.S.

No. 51. ORDER THEREON, 24th October 1879, No. 2,687 W.

These papers have reference to the claims to pension or gratuity of certain men employed as Channel Superintendents, &c., on the Conservancy Establishments of the Kistna District, who were thrown out of employ in the revision of establishments sanctioned in G.O., No. 36 L, dated 14th January 1878. In Proceedings No. 426 L, dated 20th May 1878, the Government resolved that the pension, &c., applications of such of the disestablished men as could not be re-employed and were entitled to

pension should be dealt with under the rules. Pension applications have accordingly been submitted for the three Channel Superintendents marginally noted.

2. With reference to these applications the Examiner, Public Works Accounts, brings* to notice that under Section 59, Rule 6 of the 4th edition of the Civil Pension Code, the claims to pension are inadmissible, inasmuch as the revision of the establishment resulted in no saving to Government, but actually caused an additional cost of Rupees 57 annually to the State.

3. But His Grace the Governor in Council agrees with the Superintending Engineer in considering this rule inapplicable to the men in question, inasmuch as they have been declared by medical authority to be physically unfit for further service, and would therefore have been entitled to pension independently of the revision of establishment.

4. Under these circumstances the Examiner is authorised to deal with these applications in the ordinary course, provided that they are all supported by the requisite medical certificates.

5. The cases of the other thirteen men who were thrown out of employ, and whom the Superintending Engineer describes as unfit for further service of any kind, should be similarly dealt with, and a pension or gratuity granted them according to each man's service in the department.

CAMP DOWLAISHWERAM, 6th September 1879

SIR,

Referring to your Memoranda No. 5049
 & 2742 dated 8th November 1878 and 14th August/79
 respectively, I have the honor to inform you
 that the 3 Channel Superintendents in the
 Kistna District, alluded to in the Examiner's
 letter No. 325 W. dated 23rd October 1878, having
 lately been pronounced unfit for further
 service by the Medical Officers, the Divisional
 officer called for Medical Certificates
 in the proper form. On receipt of these,
 the pension applications of the men in
 question will promptly be retransmitted
 to the Examiner of Public Works Accounts
 for disposal. The application of one by
 the name of S. Reddy has already been sent
 to him.

2. These men having been pronounced
 medically unfit for further service would
 have

have been entitled to pension even had their services not been dispensed with by ^{the} abolition of their appointments and it therefore appears to me that the Sec 50. Rule 5 of the Civil P. Code does not apply to their cases - but deducting these 3 names there still remain 16 Superintendents named in the list, printed with G.O No. 426 I dated 20th May 1878, who need consideration. Of these, the 2 Superintendents numbered 18 & 19 in the List, have, as stated by Lieut Col. Hasted R.E. no claims whatever as they had been appointed with the understanding that Channel Superintendents were shortly to be done away with. Of the remaining 14 one, named J.V. Subbarow, was appointed to act as Sub. Overseer's writer on full pay since the abolition in April/78 and it is very unlikely that the permanent incumbent will return. All of the remaining 13 are totally unfit for further service of an arduous nature, necessitating much exposure and fatiguing journeys, being elderly persons; they can neither read nor write English, & it is therefore impracticable to find them any employment. Some of them have both by petition and in person, represented the hardship of

of losing their means of livelihood without the receipt of pension or gratuity. 2087

3. Under these circumstances, I have the honor to commend the subject strongly for the favorable consideration of Government, so that section 50, Rule 5, of the Civil Pension Code may be relaxed in favor of these individuals thrown out of their livelihood through no fault of their own.

I have the honor to be,

Sir,

Your Most Obedient Servant.

FOR ORDERS.

These papers have
 reference to the claims for
 pension or gratuity of certain
 men employed as Channel
 Superintendents & on the
 Conservancy Establishment
 of the Kistna District, who
 were thrown out of employ
 in the revision of Establish-
 ments sanctioned in G.O.
 No 36 S dated 11th January
 1878. In Proceedings
 No 426 S dated 20th May
 1878 the Government resolved

that the pension &c appli-
cations of such of the
disestablished men as
could not be re-employed
and were entitled to pension,
should be dealt with under
the rules. Pension applications
have accordingly been sub-
mitted for the three Channel
Superintendents marginally
noted.

With reference to these
applications the Examiner
P. W. Accounts brings to
notice that under section
59 rule 6 of the 4th or
edition of the Civil Pension
Code, the claims to pension
are inadmissible inasmuch
as the revision of the
establishment resulted
in no saving to Govt.

but actually caused an
additional cost of Rs 57
annually to the State.

As pointed out by the
Supp. Engineer Fort Cole
in his letter N^o 932 K.S.
of 6th Sept. 1879, the rule
in question does not appear
applicable to the men in
question, inasmuch as they
have been declared by
medical authority to be
physically unfit for further
service and that they
would have been entitled
to pension, even had the
revision not taken place.

Under these circum-
stances it is suggested that
the Examiner be authorised to
deal with these applications
in the ordinary course,

provided, of course, that they
are all supported by the
required medical certificates.

The cases of the other
13 men who were thrown out
of employ, and whom the
Supp. Engineer describes as
unfit for further service of
any kind, should be
similarly dealt with, and a
pension or gratuity granted
them according to each man's
service in the Dept. Of
course, in each of these cases
also, a medical certificate
in proper form will be
necessary.
