Mr. Sadasivam has been in Government Service about 33 years and retires. Their Moodeliar about 32 years. Their services have not been completely certified in terms of the Ruling contained in Sec. 72 of C.P. Code. To avoid the case being sent a number of References will probably have to be made to the several Executive and Superintending Engineers under whom these men were employed, before they joined this office and this will take some time. Immediately on the receipt of orders on the statement furnished with this office No. 71. W. dated 11th April 1879, the requisite steps will be taken for the completion verification of their services.
