GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

13th November 1879, No. 2,865 W.

General
Establishment.

Read the following paper :—

No. 58. Endorsement of the Superintending Engineer, Fourth Circle, dated Coimbatore, 30th October 1879, No. 670.

From Captain A. AWDRY, R.E., Executive Engineer, Coimbatore Division, to the Superintending Engineer, Fourth Circle, dated Coimbatore, 23th October 1879, No. 3,518-422.

I HAVE the honor to submit applications to retire from the Public Works Department from—

Overseer M. N. Adykulam Pillay,
Taluk Overseer's writer C. Rajaratnam Naidoo, and
Do. do. K. B. Venkatarathnam,

and to request their favorable consideration.

2. With regard to these applications, I have the honor to inform you that they would not have been made unless the applicants were under the impression that they would be re-employed by the Local Fund Board. I find from Chapter XX, Section 110, of the Civil Pension Code, they may, with the sanction of Government, draw pensions in addition to full pay from Local Fund; but Section III of the same chapter lays down that "No officer may retire with the view of being re-employed" * * * * "at the charge of Local Funds and drawing pension in addition to pay."

3. As Section 110 lays down that the express sanction of the local Government must be obtained, I have the honor to request that you will obtain permission for present employes in the Public Works Department to retire on pensions or gratuities and enter the service of the Local Fund Boards, drawing their pensions or gratuities in addition to Local Fund pay; this will relieve Government to a great extent of the odious duty of dispensing with the services of men who have rendered good service, but who are not required in the reduced department.

4. I have the honor to solicit early orders on this point.

SUBMITTED to the Chief Engineer, Public Works Department, for the favor of early orders.

(Signed) A. J. RUSSELL,
for Supg. Engineer, Fourth Circle.

Works Department from Overseers M. A.

and to request their favorable consideration.

2. With regard to these applications, I
have the honor to inform you that
they would not have been made un-
less the applicants were under the
impression that they would be re-employed
by the Local Fund Board; I find

from Chapter XX Section 110 of the Civil Pension Code they may with the sanction of Government draw pensions in addition to full pay from Local Fund; but Section III of 11111 the same Chapter lays down that

Sections 110 and 111 (at
page 63) Chapter XX of the
Civil Pension Code bear on
the questions raised.

Considering the peculiar
circumstances under which
retirements are now being
effected, there appears to
be no objection to those
now retired taking service
under Local Fund Boards
and drawing their pensions

in addition to salaries
from Local Fund Boards,
Section 110 expressly
allows this.

Section 111 although
seemingly opposed to it,
is apparently not applicable
to cases of the nature under
reference, and was no
doubt intended to secure
the Govt against inconve-
niences arising from
any of their servants
getting by preference for
employment under L. F. Boards.
The point might be referred
to the Financial Dept for
consideration & early report.
