GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

24th January 1879, No. 292 W.

General.

Establishment.

Read the following paper:—

No. 248. From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (Establishment—Irrigation), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 26th December 1878, No. 166 E.—I.

THE Accountant-General, Public Works Department, has brought to notice that the Government of Madras has instructed the Examiner of Public Works Accounts of the Presidency to admit the pay and allowances of Mr. Taylor, late Executive Engineer, only up to the date on which his services were replaced at the disposal of the Government of India. In issuing these instructions, it is presumed the Madras Government was guided by the general rules laid down in the Public Works Code, regarding the pay and allowances of officers transferred from one Province to another. But it has been specially decided by the Government of India that the pay and travelling expenses of officers deputed on famine duty shall be charged to famine relief works for the whole period of their employment on such duty from date of relief from their ordinary Public Works duties to the date of resumption of those duties.

2. I am now directed to forward a copy of the ruling* in question for information, and to state that the Governor-General in Council will be glad if the Government of Madras will be so good as

*Public Works Department No. 1,253 E.—G. of 9th August 1878.
to issue early instructions to the Examiner of Accounts to adjust the pay and allowances of Mr. Taylor, up to the date of his removal from the department, in the manner indicated in Public Works Department No. 30 E.—I. of 28th February 1878, a copy of which was forwarded to the Madras Government by the Government of Bengal.

From the Secretary to the Government of India, Public Works Department, to the Accountant-General, Public Works Department, dated 9th August 1878, No. 1,253 E.—G.

In reply to your No. 569 E of 22nd June last, I am directed to state that you are correct in supposing that the pay and travelling expenses of officers deputed on famine duty should be charged to famine relief works for the whole period of such employment from date of relief from their ordinary Public Works duties to date of resumption of those duties.

No. 249. ORDER THEREON, 24th January 1879, No. 292 W.

THE Examiner will adjust Mr. Taylor's pay and allowances accordingly.

I am directed, in

that the specific ruling

of the Government of India referred to was not in lost sight of by this Govt. when considering the question of Mr Taylor's pay and allowances. The circumstances under which that Officer's services were replaced were, however, of such a nature that it appeared to His Grace in Council to be wholly out of the question to apply the ruling to the case -

Mr Taylor never even assumed charge of his duties in this Presidency, having incapacitated himself from doing so by hard drinking.
