No. 73. Proceedings of the Board of Revenue, dated 11th September 1879, No. 2,579.

From W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to the Acting Secretary to the Board of Revenue, dated Mangalore, 22nd August 1879, No. 704.

I HAVE the honor to enclose an estimate,* amounting to Rs. 7,600, for renewing the timber bridge at Hussangady on Road No. 10-A from Mudbidry to Beltangady. The wood-work of this bridge requires entire renewal, and the Local Fund Board of this Circle, a copy

of whose Resolution on the subject is appended, have passed the estimate in view to the work being provided for in the next year's budget, as no funds are available at present. I therefore request that the Board of Revenue will be pleased to obtain the sanction of Government to the above estimate.

2. I beg to add that in their Proceedings of the 30th May last, Miscellaneous No. 4,945, the Board of Revenue allotted Rs. 625 for the execution of temporary repairs to the aforesaid bridge, but the District Engineer reports that the necessary repairs have been executed at a small cost out of the road maintenance grant. I have therefore the honor to request that the above allotment of Rs. 625 may be withdrawn and credited to the current year's Road Fund Reserve.
