THE SECRETARY TO THE GOVERNMENT OF INDIA,

Public Works Department.

SIR,—With reference to paragraph 2 of this Office No. 2,489 W., dated 2nd October 1879, and previous correspondence on the subject, I am directed to forward, for the sanction of the Government of India, plans and estimates amounting to Rs. 2,76,000 for Government House, Ootacamund. The estimates now submitted provide for all that is necessary to complete the work.

2. The variation between the present estimates and those sanctioned in G.O., No. 4,488 W., dated 25th November 1878, is mainly due to the necessity that was found to exist for additions to the roofing on account of the rainfall at Ootacamund being heavier than at Wellington, where the roof as first designed had proved sufficient.

3. I am to add that no provision has been made in the estimate on account of furniture as no additional furniture is required.

* August 1879.

4. The expenditure up to date* as reported by the Examiner, Public Works Accounts, amounts to Rs. 2,51,387.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) R. H. SANKEY, Colonel, R.E.,
