Read the following paper :—

No. 261. Proceedings of the Board of Revenue, dated 9th December 1878, No. 3,293.

From H. SEWELL, Esq., President of the Local Fund Board, Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 28th October 1878, No. 49.

I HAVE the honor to submit a plan and estimate, amounting to Rupees 10,460, for completing the road from Parur to Pandamangalum. This is an important village road; it commences from the new bridge (sanctioned in the Board's Proceedings, No. 4,157, dated 12th May 1875), runs through twelve villages yielding an annual revenue of no less than Rupees 20,000, and eventually joins the old Carur road.

2. The necessity for this road is evidenced by the liberal voluntary contributions made by the villagers for the purpose to the extent of Rupees 5,480-11-5, of which Rupees 3,316-11-5 is in cash, and the balance, viz., Rupees 2,164, represents the value of putta land taken up by the road.

3. Earthwork to the value of Rupees 1,297-9-5 and masonry work (consisting of twenty-five tunnels) to the value of Rupees 1,583-5-6 have been carried out by the villagers from the sum contributed in cash. The remainder, Rupees 435-12-6, is with the Tahsildar of Trichinopoly Taluk. I have this day issued order to credit the same to Local Fund Account. This road is still unfit for traffic.

4. The Local Fund Board have provided Rupees 5,000 in the budget for 1879-80 for this road. I have therefore the honor to request that you will be good enough to obtain the sanction of the Board of Revenue for the estimate.

Copy of the Local Fund Board's Proceedings enclosed.

ENCLOSURE No. 6.—Extract from Local Fund Board's Proceedings.

THE estimate, amounting to Rupees 10,460, for completing the road from Parur to Pandamangalum (length 4 miles and 122 yards), is submitted for the sanction of Government.

2. This is an important village road for which the villagers concerned have contributed Rupees 5,480-11-5.\* Work to the value of Rupees 2,880-14-11 appears to have been carried out by the villagers out of the amount contributed by them, and the President has issued instructions to credit the balance of their contribution (Rupees 435-12-6) in the Local Fund Accounts.
