5. The items outstanding against Colonel Thomason will be adjusted on receipt of the sanction of the Government of India to the additional allotment applied for in connection with his deputation on special duty to this Presidency.

6. The General Superintendent will take immediate steps for the settlement of the items due by private parties. With reference to the remarks against the item due by Parry and Co., it is observed that if the repairs were ordered by that firm, the responsibility for the payment rests with it.
