Letter No. 830 of 17th Novr. 1879 from Assistant Engineer Mr. J.C. Johnston with enclosures. Submitted to the Chief Engineer for orders.

2. Under para 350 of the New Code it

appears that the action of Mr. Johnston in withholding the 15 per cent deductions on the Contractor's Bills, was justified for the reasons given in the draft answer to the plaint.

The works on account of which the suit is laid were in charge of Sub Overseer Ananthachary the other Defendant.

The rules on the subject are contained in paras 349 to 354 of the new Edition of the Code

The explanation given by Mr Johnston of the reasons assigned only a general one, and is not a draft answer to the plaint as required by the letter of the Code, but it appears to me that "primâ facie" the grounds are sufficient to warrant the suit being defended in the
