CONSULTING ARCHITECT'S OFFICE,
Chepauk, 26th Nov^r 1879.

FROM

THE CONSULTING ARCHITECT TO GOVERNMENT,

TO

THE CHIEF ENGINEER, PUBLIC WORKS DEPARTMENT,

SIR,

Enclosures.

I have the honor to address you on behalf of
Overseer Goorossawmy Moodelly and of myself.

The Overseer in question came to me for explanation
regarding the resolution of the Government of India
dated the 31st July last on the subject of reductions
in the Establishment of the Department of Public Works.
On reading this resolution carefully it appears to me
that if officers or subordinates do not offer to retire,
their future prospects in the department may
possibly be affected.

Under these circumstances I should like to
place it on record that I am perfectly willing
to retire now in terms of the above resolution
if the Government wish me to do so. and at
the request of Overseer Goorossawmy Moodelliar

I have to express his readiness to do the same.

I have the honor to be

Yours

your most Obedt. servt.
