Buildings and Roads.
Civil Works.

Read the following paper :—

No. 13. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Bellary, 29th November 1879, No. 3,605.

With reference to G.O., No. 2,428 W., dated the 25th September, I have the honor to report that upon my statement of the maximum amount of work which the Public Works Department could in future perform, the Local Fund Board of the Masulipatam Circle have decided that the Public Works Department shall retain the following works :—

Budget II A, Part I, New Works, Item 3.—Road to Hyderabad frontier. Item 12.—Road from Jaggayapet to Muktiyala.
Part II, Item 2.—Repairing road to Hyderabad frontier.
Appendix to Part II, Item 13.—Repairs to road from Chillakallu to Jaggayapet. Item 18.—Repairs to road from Jaggayapet to Sheermohamudpet.

The Local Board will take over all the other roads.

2. The Local Board further resolved that the Government be requested to sanction the postponement of the transfer of works, from the Public Works Department to the Local Fund Board, to the end of the official year.

3. You informed me on the 4th instant that it had been decided to abandon entirely the Guntur Division, and therefore I presume it is necessary that the Masulipatam Local Fund Board should take over all the works, also that the transfer cannot be postponed to the 1st April next. I hope however to receive orders shortly, as there is now but little time left before the 31st December to make the necessary arrangements.

No. 14. ORDER THEREON, 3rd December 1879, No. 3,089 W.

THE Guntur Division having been abolished, it will be necessary for the Masulipatam Local Fund Board to take over all the roads.

2. The transfer must be made before January next.
