

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

26th November 1879, No. 2,202.

No. 221. READ THE FOLLOWING PAPER:—

Endorsement of the Acting Under Secretary to Government, Public Works Department, dated 1st October 1879, No. 3,077.

Read the following letter from Major H. M. VIBART, R.E., Acting Superintending Engineer, Third Circle, to Colonel R. H. SANKEY, R.E., Chief Engineer, Public Works Department, dated Chepauk, 27th September 1879, No. 5,674:—

WITH reference to G.O., No. 4,739 W., dated 12th December 1878, I have the honor to forward, in original, a statement obtained from the Deputy Collector, Madras, showing the lands, houses, &c., at Poodoopet purchased by Government for a site for a Native Infantry Regimental Lines. A plan received from the Revenue Department as also one prepared by this department of the lands in question is enclosed. There is a difference of 4 grounds and 134 square feet between the extent of lands as shown in the two plans, while the area given in the plan prepared by this department, viz., 8-18-736, is nearer that entered in the Deputy Collector's statement than the area shown in the plan prepared by the Revenue Department. This the Executive Engineer attributes to the measurements having been taken by the Revenue Department separately for each house and plot of ground with a common measuring rod, whereas the plan prepared by this department is based on measurements carefully taken with a chain. The want of coincidence between the statement and plan prepared by the Revenue Department is probably due to the one having been prepared apparently without reference to the other, the statement being dated the 11th March 1879 and the plan 5th June 1879.

2. The total cost of the land, houses, &c., as per Deputy Collector's statement amounts to Rs. 55,525-0-8, of which Rs. 37,626-7-0 is the value of lands and of lands with buildings thereon, and the remainder, Rs. 17,898-9-8, the value of houses and huts alone acquired without lands.

3. As regards the question of reselling a portion of the lands it would appear that as the abandonment of the scheme for constructing lines at Poodoopet has been finally determined upon by Government, all the land, houses, &c., which were purchased by Government in connection with the scheme should be resold through the agency of the Revenue Department through which the lands were acquired.

TRANSFERRED to the Revenue Department for information and with a view to the necessary arrangements being made in communication with the officers of the Public Works Department for reselling the property in question.

(By Order.)
