

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter ^{from}
the Ag Registrar, High Court, Madras,
dated 8th December 1879 No. 2196.

I am directed, in compliance
with the application in the accompanying
letter of the Presidency Engineer, to request
that the sanction of Govt. be allowed
to the preparation of a detailed plan
and estimate for the conversion of
a vacant room in the High Court
building to the purposes of a Court
room. The proposed work is rendered
necessary by the fact that four Courts
now, not infrequently, sit simulta-
neously in the High Court building
and the existing accommodation
provides only for three Court rooms.

2. The result has been that Courts
have of late been held in the Chief Justice's
and Judges' private rooms to the great
inconvenience both of the bench and
of the bar as also of the general public.

As 3.

3. As the additional Court-room is
very urgently required, the High Court
trust that Government will accord
the required sanction at the earliest
possible opportunity.

Order thereon 9th December 1879 No 3132.

Sanctioned.
