Item 11—Maintenance of the Road Road.—The Government sanctioned the transfer of this work to the Agency Department from Public Works Department in G.O., No. 4363, dated 14th November 1878. Rs. 1,800 is the annual allotment which the Public Works Department required when the work was under their agency, but no separate provision has been made during the present year—*vide* G.O., No. 9, dated 7th January 1879. An annual grant should now be assigned, as the work cannot be executed from other repair funds, as was done in 1879-80 without injury to existing roads.

Budget Estimate.

Read the following paper :—

No. 17. *From W. D. HORSLEY, Esq., Acting Agent to the Governor of Fort St. George in Ganjam, to the Acting Chief Secretary to Government, dated Chatrapur, 15th November 1879, No. 294.*

I have the honor to submit the Budget Estimate of "Petty Construction and Repairs" for 1880-81.

Item 1.—Of the Rs. 7,000 allotted for the construction of bridges, Rs. 3,000 will cover the completion of the Kalingia and Baliguda road, and Rs. 1,000 are provided for unforeseen contingencies. The balance Rs. 3,000 is allotted for the collection of timber and bricks at three large nallahs on the Boad Frontier road, which it is most desirable should be bridged in consideration of its considerable traffic.

Item 2.—The Senior Assistant Collector proposes bridging three nallahs between Chelegodo and Ramagiri with wooden bridges at Rs. 125 each.

Item 3.—A sum of Rs. 600 was sanctioned by the Government in G.O., No. 2318, dated 23rd December 1878, for the construction of a tiled house for a hospital and a thatched house for the Hospital Assistant at Udayagiri of the Pedda Kimedi Maliahs. The estimate provides for thatched houses only, which is more economical.

Items 4 to 8.—The various sums allotted for the repairs of bungalows, &c., are annual grants and call for no special remarks.

Items 9 and 10.—are annual grants.

Item 11—Maintenance of the Boad Road.—The Government sanctioned the transfer of this work to the Agency Department from Public Works Department in G.O., No. 4363, dated 14th November 1878. Rs. 1,800 is the annual allotment which the Public Works Department required when the work was under their agency, but no separate provision has been made during the present year—*vide* G.O., No. 9, dated 7th January 1879. An annual grant should now be assigned, as the work cannot be executed from other repair funds, as was done in 1879-80 without injury to existing roads.

Item 15.—This road was completed last year and was included under New Works, "*vide* last year's Budget Item 3." This year the repairs are estimated at Rs. 20 per mile.
