

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the

Officer in Charge of the Government Agency
Chepauk dated 10 September 1879 No 350.

I have the honor to refer for
the decision of Government a difference
of opinion which appears to exist
between the Accountant General
and the Examiner P. W. Accounts
as to their respective liability to
be debited with the cost of a pump and
fittings ^{supplied} to the Amir Mahal under G. O.
dated 14th March 1878 No 164. Copies
of correspondence as per margin on
this subject are forwarded for infor-
mation.

No 1811

Referred to the Accountant General
for Report with reference to P. W. A. C.
Of 21st March 1878, No 175 (and 9th April

Lead also letter from the Accountant General
to the Government of Madras dated 1st
October 1849 N^o 270 N.

With reference to your Memo
N^o 1811 dated the 17th Current, I have the
honor to state that objection was taken
by this Office to the debit raised by the
Examiner Public Works Accounts of
Rs 1,219-3-0 - being "Cost of Workshop
store supplied to the Secretary to His
Highness the Prince of Arcot," as
the supply was not for the Prince
and the Examiner was accordingly
requested to recover the sum in cash.

2. It is now known that the supply
was for the Amir Mahal, and as this is a
State building it is a Public Works
charge in accordance with the Examiner's
letter N^o 205 dated 18th August (copy
herewith).

3. The misunderstanding arose
from the Examiner Public Works
Accounts charging the Workshop
supply against the Civil Department
instead of accepting it as a charge
against Public Works Provincial.

Letter from the Examiner P.W. Accounts Madras
to the Accountant General Madras of
Chepauk 18th August 1849 N^o 205 P.

With reference to your State-
ment of objectionable items for March
1849 regarding the sums of Rs 41-6-0
1219-3-0, (and 37-11-0), I have the honor
to state that the 1st amount is the
value of stores supplied to the Con-
servator of Forests, Mysore and Coorg,
as per 2 Bills herewith forwarded but
which was erroneously shown against
"the Executive Engineer Coorg and Mysore
Division, I request therefore that the
necessary alteration may be made in
appendix II of the P.W. accounts
for March 1849 sent to you on the 16th
June 1849.

2. The items of Rs 1219-3-0 & 37-11-0 will
be adjusted as desired by you.

Order thereon 7th October 1849 No. 501.

Copy of the Accountant
General's letter will be communicated
to the Officer in Charge of the Govern-
ment Agents' Office Chepauk.

Sir,

not commd.

I have the honor to state with reference to
Order No 501 dated the 7th October 1879 Political Dept^{ts}
that I have been requested ~~by~~ the Superintendent
of Public Works Stores to accept the debt of Rupees
1,219-3-0 against the Amir Mahal on account of
a force pump and suction hose supplied by him.

2. I think it right to explain that the item of
578 Rupees on account of a force pump in my
Estimate dated the 11th December 1877 was disallow-
ed by the Government in their Proceedings No
2109 W dated the 10th May 1878 P. W. Department.
This charge is
and hence, in opposition to the ruling of
Government in the 3rd para of G. O. No 76 dated
24th February 1879 Political Department.

3rd

It would appear to be necessary to grant

me permission to obtain in the ordinary course a
sanctioned estimate for the amount before the sum
can be admitted

I have the honor to be

Sir

your most obedient servt.
