GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

13th December 1879, No. 3,202 W.

General
Account

Read the following paper :—

No. 57. From Major H. M. VIBART, R.E., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 24th October 1879, No. 6,268.

I HAVE the honor to inform you that the sums noted in the margin were expended by the Executive Engineers of the Presidency and Buckingham Canal Divisions in publishing notices, &c., in the local newspapers, as per details shown in the enclosed statement. The above charges were incurred under G.Os., Nos. 1,548 W., and 4,318 W., dated 26th March and 11th November 1878, but as the Examiner of Public Works Accounts has declined to admit the charges without the special sanction of Government, I request that the necessary sanction may be granted.

2. I would take the opportunity of inquiring whether, under the Government Orders above quoted, the Examiner may not consider himself authorised to admit such charges without further reference to Government, and whether every case should be submitted for sanction to enable that officer to pass the charge.

No. 58. ORDER THEREON, 13th December 1879, No. 3,202 W.

THE Examiner, Public Works Accounts, is authorised to admit the charges in question.

2. With a view of avoiding unnecessary references to Government, Superintending Engineers are authorised to sanction future charges for advertisements to the extent of Rs. 25 per annum for each division.

3. Cases which, in the opinion of the Examiner of Public Works Accounts, require special sanction will continue to be submitted for the orders of Government.

I have the honor to inform
you that the sums noted in

In sending up this
case I would draw
attention to the con-
-cluding para of the
SE's letter

It would save a
good deal of reference
to Govt if the permission
sought were conceded
leaving it of course on
the C's Office to bring
to notice at once any
apparent abuse of
the concession

Thus it appears to
me would sufficiently
protect Govt interests
