Sir,

In reference to your endorsement No. 3167. Dated 29th October 1879 on G.O. No. 2674 W. of 24th Idem I have the honour to request that you will be pleased to submit the following circumstances connected with my case for the favourable consideration of the Chief Engineer, as I believe that Government will be pleased to reconsider their present orders on submission of the same.

I left Madras (where I was last doing duty on full pay and allowances) on the 2nd July 1877 on furlough to Europe for 2 years, and rejoined my station there on the 5th Decr. 1878; and in the mean time no intimation had been conveyed to me of any change or transfer. I was gazetted to the Bellary Dist. on the 10th December 1878, and joined Bellary on the 17th Idem within the time allowed. No subsidiary leave was granted or was any such leave necessary in my case, & I returned to the same station where I was last doing duty, in the absence of any intimation of my transfer, and my subsequent posting

OFFICE NOTE.

To

C.

I am inclined to think that the notification of Sept^r 1878, cannot be regarded as having transferred Col. Fisher in the proper sense of the word. For conscience the whole Public Work establish-ment was distinguished between the different circles; and in those cases in which a division was set down against an officer.

name, not being the same as the district where he had previously been employed, there was undoubtedly a transfer.

But in Colonel Fischer's case, no division was named; and, as a matter of fact, there was some discussion, when he returned to India, about where he was to be sent.

Ultimately Bellary was decided on, and the notification of 10th December was then issued. That must, I think, be taken as the first regular order of transfer; and, in that case, Col. Fischer

must be held on his return from England to have resumed his duties in the Presidency division - to which he was attached when he left India - no subsidiary leave being in consequence necessary.

The transfer to Bellary would therefore not be a case of transfer of an officer while on leave, and Col. Fischer would be entitled to draw full pay from the 5th December, 1878.

If your office is not barred from paying him full pay by the entry

of 2^d Lieut after his
name in the Notification
of September 1878,
orders will be issued
in the sense of
the foregoing remarks.
