Sir,

Enclosure

1 Estimate

The heavy rains of the past two months have caused several slips on the new Coonoor flank and have caused portions of the outer bank to give way carrying with them the parapet wall, and making such parts of the road dangerous.

2. I have the honor to submit for sanction and provision of funds the accompanying estimate amounting to Rs 867-0-0. It has been very carefully prepared in detail by the Engineer in charge, and I have checked portions on the spot and have every reason to believe the whole to be perfectly correct.

3. I beg to solicit early orders,  
pending the receipt of which I have  
the honor to request permission to  
carry out the work.

I have the honor to be
