PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th October 1879.

Read the following letter from H. J. STOKES, Esq., President of the Local Fund Boards, Madura District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 11th August 1879, No. 68:—

I HAVE the honor to submit revised Budget Statements II and II-A for the Madura Circle for the year 1879-80 in lieu of those already sanctioned.

2. This revision of the Budget was rendered necessary to provide for incomplete works, for which about Rs. 15,000 is owing. The Local Fund Board have in Proceedings, No. 80, of 1879 (copy enclosed), resolved to revise the Budget, reducing the original allotments as far as possible, and providing from the reserve a sum of Rs. 6,350 for meeting the excess amount, as the liabilities already incurred on the incomplete works need urgently to be liquidated.

3. The Board are aware (Board's Proceedings, No. 1,042, dated 22nd April 1879) that the Road Fund Budget for the current year has been framed without any opening balance, whereas according to last year's annual report the current year begins with a balance of Rs. 48,232, which, it is hoped, will not be materially affected by any adjustment of famine expenditure against this circle. Besides, there is a sum of Rs. 5,200 out of Rs. 7,800 credited to this circle under adjustments made up to the end of January 1879 under the Revenue Board's Proceedings, dated 19th December 1878, No. 3,421, and this sum is in excess over the anticipated receipts of this year.

4. Under these circumstances, I strongly recommend that the revised Budget may be sanctioned at an early date.

5. Owing to contractors being kept long out of their money it is becoming more and more difficult to get contracts taken up by trustworthy men, and so unnecessary delay is caused. Already several clamorous demands for payment have been made which should have been satisfied long ago.

ENCLOSURES Nos. 1 and 2.—Budget Statements.

ENCLOSURE No. 3.—Extract from Proceedings of Local Fund Board.

THE President submits for sanction revised Parts I and II of the Madura Circle Budget for 1879-80 as far as works connected with the Road Fund are concerned.

2. It is stated that the revision has been made with a view to provide funds for the incomplete works of last year.

3. Part I contains seven items with a total assignment of Rs. 15,280 against Rs. 13,000 in the original Budget. The allotment for Item No. 3 will be disallowed and that for No. 7 raised by Rs. 674 for reasons that will be stated further on.

4. Part II contains thirty-one items with an aggregate allotment of Rs. 91,000 against Rs. 88,300 in the current year's Budget. The amount of the estimate for Item No. 12 has been raised by Rs. 600 without any explanation. The President will report on this point and submit a revised estimate if necessary. The proposed allotments for Items Nos. 18 and 19 together with the actual expenditure on them up to the end of the last official year exceed the estimate by Rs. 2,162, which in the absence of any explanation must be disallowed. For similar reasons the allotment for No. 20 will be reduced by Rs. 47. The designation of Item No. 21 and the amount of its estimate are incorrectly given. The necessary alterations have been made. The amount of estimate for Item No. 12 in the Appendix to Part II is Rs. 425, while the actual expenditure on it up to the end of the last year has

exceeded it by Rs. 233. A further sum of Rs. 40 is put down for the current year. The President is requested to report the cause of the increase and whether a revised estimate has been sanctioned by the Local Fund Board. Item No. 15 is properly a new work, and it has therefore been transferred to Part I Appendix. The lump allotment of Rs. 1,120 under "Petty Repairs" has been disallowed in the absence of details.

5. The total allotment of the two lists as submitted by the President comes to Rs. 1,06,280 or 4,980 more than the total grant for road according to the sanctioned Budget. The alterations made in the preceding paragraph reduce the excess to Rs. 1,651, and as no allotments can be sanctioned either from the reserve or balances till the accounts of 1878-79 are finally closed, the Board resolve to strike out Item No. 3 in Part I, which is a work that has not yet been commenced.

6. With these remarks the revised Parts I and II of the Madura Circle are submitted for the sanction of Government.
