Sir,

With reference to copy of Circular
N^o 442 of the 23rd ultimo forwarded
with your Lett^r N^o 442 of the 25th and my
reply thereto N^o 335 dated 27th Idem, I
have the honour to state that I have no
objection to retiring, but, as stated in
my letter quoted above, wish to know
what are the exact terms which I
would have to accept; under these
circumstances I trust that the delay
in submitting my application to retire
may not interfere with those advantages
offered to persons retiring under the
Government of India's resolution
of the 31st July.

Engr. Engineer's Office

Calicut 7th December 179

From.

Captain H. Bailey

Executive Engineer

Calicut Division

To

The Superintending Engineer

4th Circle

Sir,

Retirement of

Captain Bailey.

Your telegram of 15th reached
me yesterday afternoon having been
sent to me by Sasser, Chief Engineer.
Memo N^o 2629 to which it refers reached
me to day by Toppel and Cooley.

2 As this letter will reach you almost
as quickly as a Telegram sent across
Country to the line, I am writing instead,
as there is one proviso I wish to make.

3 Am willing to retire under the
Resolution of the Government of
India provided that my doing so
is not considered as agreeing to make

no further claim on Government,
as it is my intention to apply for
increased Pension to which under
the circumstances I consider I am
justly entitled.

4. I presume that I will receive
my present salary to the end of this
year the same as has been granted
to the Civil Members of the Department.

5. With reference to the latter part
of Para 1 of Chief Engineer's Memo
under reference, I would feel obliged
by your obtaining for me a copy
of the Certificate required for Invalid
Pension and by your asking Govern-
ment whether the submission of
a Certificate of being unfit for active
Military Service would debar me -
from obtaining employment under
a Local Fund Board and whether
I would be entitled to draw Invalid
Military Pension in addition to the
Salary of such appointment.

- 6 I regret being obliged to trouble the
head of the Department on these matters,
but situated as I am unable to obtain
a copy of the Army pay Code or
general regulations to refer to, I
cannot find out otherwise how the
retiring rules affect me.

I have &c.

Please read this letter from Captain Bailey. It does not affect the decision, I think, which is in circulation. If the medical board give a certificate of unfitness for further service, that will not prevent Capt. B's drawing under an A. & B. & drawing his pension -

The telegram did not show what Capt. Bailey meant; his promise seemed to be in view of his being retired and a pension of any kind. Where as it only had reference to an invalid pension.
