It appears that at present, Sweepers work in the various offices in the Chepauk buildings is performed by each office having its own Sweepers, thus incurring unnecessary expenditure. It is suggested that a staff of 2 or 3 Sweepers be organised for the whole set of offices

It is submitted that
Sutcliffe's Resolution may
be made applicable
to Capt. Barker without
any reference to India.

It is nowhere said
that it does not
affect persons holding
"Special appointments"
"the pay of which"
"has not been fixed"
"with reference to"
"any scale recognised"
"in the P. W. Dept."

Capt. Barker is a
"Civil Officer in
the P. W. Dept," and
so broad is that
term that it has
been made to cover
the case of Accountants.
It is clearly ruled

in para. 7 of the
Resolution that the
Local Govt. have power
to accept at their ~~own~~
discretion, without further
reference, applications
for permission to
take from Civil
officers serving under
them.

Having indicated the
doubts.

To refer the case to
India would be tacitly
to ~~admit~~ admit the
existence of doubts in
respect to Capt. Barker's
status in the P.M. Dept.,
and to induce that
Govt. to decide against
him.

To,
The Chief Engineer & Secy to Govt.
Public Works Department
Madras.

Sir,
I have the honor to forward for
the consideration of Government an application
from Assistant Engineer Mr. Barker to
retire from the service under the conditions
promulgated in the Resolution of the
Government of India of the 2nd July 1879.
republished in the Port St George Ga-
zette of the 19th August 1879.

2. Mr. Barker is the Officer who has
now for several years past commanded
the Steamers "Godavari" "Kurda" and
"Wynzanga" which have been employed
making weekly trips between Dowlais-
waram and Durnagudem but as
this service has been ordered to be
discontinued in Proceeding Madras Government
H.

No. 12917 of the 3rd May 1879 I recom-
-mend that Mr Barber's offer of re-
-tirement be accepted.

3. With regard to the necessity of
retaining his services for the Rumpa
operations, the Military only now run a
large Steamer once in 3 weeks and
the smaller Steamers, which take the
weekly service in the intervals, are
commanded by Native Syrangs.

The services of Captain Jaines being
available, there would appear to be
no necessity to detain Mr Barber
