GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

11th December 1879, No. 2343.

Budget Estimate.

Read the following paper :—

No. 69. *From O. B. IRVINE, Esq., Acting Agent to the Governor of Fort St. George in Vizagapatam, to the Acting Chief Secretary to Government, dated Vizianagrum, 1st December 1879, No. 383.*

I have the honor to submit, for the sanction of Government, Budget Estimate for Petty Construction and Repairs to be executed in the Agency Tracts of this district during the official year 1880-81.

2. *New Works—(a) Roads.*—A sum of Rs. 8,480 is provided under this head against Rs. 7,094 in the current year.

SPECIAL ASSISTANT AGENT'S DIVISION.

3. Of the allotted sum of Rs. 7,094 Rs. 4,416 were sanctioned for the construction of roads in the Special Assistant Agent's Division. Of this sum Rs. 2,003 were spent by him up to the end of October last, and the balance of Rs. 2,413 will be utilised during the remaining part of the current official year. Rs. 4,250 is now provided for expenditure in his division on the following roads during the ensuing year :—

	RS.
High Road, No. I, Section III.—Nowrangpur to Raighur	225
„ „ II, Section II.—Jeypore to Kollar	400
„ Section III.—Kollar to Govindapilly	900
„ „ IV.—Govindapilly to Mote	2,725
Total ..	4,250

4. *High Road, No. I.*—With regard to this road the Special Assistant Agent observes : “ I admit to the full the importance of continuing this northern road. It is solely a question of money. If a grant of only 10,000 rupees be made, it will go no further than keeping up the completed roads in an efficient manner and putting into a higher degree of completeness the unfinished road between Jeypore and Mote.” Rs. 3,000 was provided for this road in the current year's budget, but the Government having sanctioned only Rs. 10,000 out of Rs. 14,960, the sum budgeted for, the entire allotment for this work was expunged by the late Agent. Considering the present state of financial affairs I do not venture to make any proposals regarding this work, but only provide Rs. 225 for the maintenance of a track of nine miles opened out in 1877-78.

5. *High Road, No. II, Section II.*—A sum of Rs. 1,500 was sanctioned for this road (Jeypore to Borigumma) during the current year. No portion of the allotment was spent up to October, but Mr. Tremenheere writes that it will be spent and asks for a further grant of Rs. 400, at the rate of Rs. 25 per mile, to provide for the road's completion. I trust this may be granted.

6. *Roads from Jeypore to Kollar and from Kollar to Govindapilly.*—Rs. 1,840 was sanctioned for these roads during the current year, of which Rs. 927 was spent up to the end of October last, and the remainder Rs. 913 will be expended in the remaining portion of the year. Rs. 900 for the former section and Rs. 2,725 for the latter are now provided as the track from Kollar to Govindapilly crosses a difficult pass and requires at least Rs. 50 a mile to maintain a six-foot trace and to bridge over some of the streams.

SENIOR ASSISTANT AGENT'S DIVISION.

7. A sum of Rs. 3,130 is provided for the construction of the roads noted in the margin in the Senior Assistant's Agent's Division against Rs. 2,630 of the current year.

Rayaghada to Singapur	Rs. 1,000
Chollapadam to Rayaghada	1,630
Rayaghada to Bisemkatak	500
Total	3,130

The road from Rayaghada to Singapur is at present the most important work in this Division, and Rs. 1,000 is proposed to be expended upon it against 500 of the current year.

With regard to the two other roads the grant of the current year is retained.

PRINCIPAL ASSISTANT AGENT'S DIVISION.

8. Regarding works in the Principal Assistant's Division, I have to refer the Government to my letter, No. 576, dated 27th ultimo, in which proposals were made for the redistribution of Rs. 870 sanctioned for the current year and sanction was solicited. The revised allotment is now adhered to.

9. Rs. 48 was allotted in the current year for the purpose of sloping the nullahs from Gudem to Lambasinghi. Rs. 100 is now provided for the same. Three hundred rupees is provided for clearing jungles and sides of roads, and a further sum of Rs. 700 for three tracks, two of which are new, referred to in the margin.

New track from Koyyur to Addategala	Rs. 200
From Koyyur to Chódavaram	200
Government Bullock track	300

10. As for the new tracks proposed to be opened, they are, in the words of the Principal Assistant Agent, "intended to avoid the Potulur Ghat where the advance of Major Blaxland was interrupted by Chendriah in June, and which has been described as a trap to invite the attacks of robbers and as being very steep."

11. Mr. Willock, who by his recent tours in the hills has acquired a thorough knowledge of the country, urges the necessity of improving a bullock track now existing which is traced from Addategala to Raipilli and thence through part of the Rampa country to Samagedda and beyond Samagedda until it again comes into the Vizagapatam District a few miles south of Guditeru and on to Darakonda and Malkangiri. As there can be no question regarding the expediency of improving any lines of communication now existing which would facilitate access to the Golconda Hills and Jeypore, I recommend that Mr. Willock's recommendation be adopted, for which purpose a sum of Rs. 300 has been allotted.

SPECIAL ASSISTANT AGENT'S DIVISION.

12. (b.) *Buildings.*—Of the sum of Rs. 1,200 sanctioned for seven bungalows in the Special Assistant Agent's Division, Rs. 138 was spent up to the end of October last, and the remaining sum of Rs. 1,062 will be spent before the close of the year. The

Special Assistant Agent now proposes to erect four bungalows, at places noted in the margin, as at present selected, and Rs. 600 is provided for them. He will shortly visit these places and asks to be allowed to fix the different sites definitely hereafter, which request, I submit, may be accorded.

SENIOR ASSISTANT AGENT'S DIVISION.

13. Rs. 1,600 was sanctioned for the construction of Gunupur Cutcherry and Police room and has been expended. Of the sum of Rs. 200 sanctioned for Komatlapeta Bungalow, Rs. 85 was spent to the end of October last, and the remainder will be spent in the course of the year. No provision under this head is made for the ensuing year.

PRINCIPAL ASSISTANT AGENT'S DIVISION.

14. The importance of sheds in connection with the Police Stations was explained in my letter, No. 576, dated 27th ultimo, and three such sheds are now proposed to be erected at Koyyur, Chódavaram, and Addategala, for which Rs. 150 is provided. A sum of Rs. 300 is also proposed to be spent for the construction of two bungalows at Lotugedda and Dharakonda.

SPECIAL ASSISTANT AGENT'S DIVISION.

15. *Repairs.*—Out of the sum of Rs. 4,424 provided in the current year's budget for maintaining roads in the Special Assistant Agent's Division, Rs. 1,010 was spent up to the end of October last, and the remaining sum will be expended during the remaining part of the year. Under this head a sum of Rs. 5,150 is now provided as shown below:—

Branch Jeypore to Borrigumma	Rs. 350
Road No. I, Section I, Pottinghi to Koraput	1,400
" " Section II, Koraput to Nowrangpur	1,800
Borrigumma to Kotapad	900
No. 2, Section I, Koraput to Jeypore	700
Total	5,150

16. Road No. 1, Section I, is complete as far as Nowrangpur. Its present condition, as observed by the Special Assistant Agent, varies much in different parts, being excellent near Koraput, but towards Borrigumma such that many travellers prefer the circuitous and troublesome route through Jeypore. Rs. 1,400 is provided for repairs to this road. The other roads call for no remark.

SENIOR ASSISTANT AGENT'S DIVISION.

17. Rs. 2,400 was provided for repairs in the Senior Assistant's Division in the current year. Rs. 122 was spent up to the end of October last and the remaining sum will be utilised during the remainder of the year.

A similar amount is provided under this head in the budget for 1880-81.

PRINCIPAL ASSISTANT AGENT'S DIVISION.

18. Rs. 300 are provided for repairs to Lambasinghi and Koyyur Ghats against 363 of the current year.

SENIOR ASSISTANT AGENT'S DIVISION.

19. *Buildings (Repairs).*—Under this head Rs. 190 was provided in the current year's budget for repairs to the Sub-Jail at Gunupur and to the Cutcherry at Rayaghada. The necessary repairs to Rayaghada Cutcherry have been executed, Rs. 150 having been spent for the purpose. The Sub-Jail at Gunupur will be repaired shortly.

Rs. 50 is provided in the budget for 1880-81 for repairs to the bungalow at Rayaghada.

PRINCIPAL ASSISTANT'S DIVISION.

20. Rs. 150 is allotted for repairs to existing bungalows and salaries of men in charge of them against Rs. 120 of the current year, the excess being for necessary repairs.

21. The whole amount provided for New Works and Repairs is 17,580 as shown below:—

Jeypore Country including Rayaghada and Gunupur.

	RS.
Roads—New Works	7,380
Repairs	7,550
Buildings—New Works	600
Repairs	50
Total ..	15,580

Golgonda Hill Tracts in the Principal Assistant's Division.

	RS.
Roads—New Works	1,100
Repairs	300
Buildings—New Works	300
Repairs	150
Total ..	2,000
Grand Total ..	17,580

22. The Maharaja of Jeypore has for two years reduced his contribution from Rs. 6,000 to 4,000. This sum being deducted from the whole provision of Rs. 17,580 there remains a balance of Rs. 13,580, for which I have the honor to solicit the sanction of Government.

23. I have here to state that the figures given in the budget under the head of "Grant" for 1879-80 do not tally with those given in the current year's budget as in some cases the provision was reduced and in some raised owing to the retrenchment made by Government in their Order, No. 2090, dated 25th November 1878, Financial, and by the balance of the Maharaja's contribution of the past year's available for this year.

I may also state that the small amount of Rs. 5,109 expended up to the end of October last should not be adopted as a standard for gauging the estimated expenditure for the whole year, because the principal working season is from November to March.

No. 70. ORDER THEREON, 11th December 1879, No. 2343.

The Agent to the Governor in Vizagapatam submits the Budget Estimate for "Petty Construction and Repairs" for 1880-81, with explanation of the variations as compared with the estimate for 1879-80. He states that the small amount expended up to the end of October last should not be adopted as a standard for gauging the estimated expenditure for the whole year, because the principal working season is from November to March.

2. The estimate provides for—

New Works.

	RS.
Roads	8,480
Buildings	1,050
Total ..	9,530

Repairs.

	RS.
Roads	7,850
Buildings	200
Total ..	8,050
Grand Total ..	17,580

Of this amount the Maharaja of Jeypore will contribute Rs. 4,000 towards roads, and the Agent asks that the balance Rs. 13,580 may be sanctioned.

3. The expenditure in 1877-78 aggregated Rs. 8,959. The actuals for 1878-79 are set down at Rs. 14,164, while the computed expenditure in 1879-80 is Rs. 12,821. The average expenditure for the three years does not exceed Rs. 11,981.

4. The Agent has explained the necessity for the works estimated for, and sanction is granted for an allotment of Rs. 13,000 for 1880-81.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

11th December 1879, No. 2343.

Budget Estimate.

Read the following paper:—

No. 69. *From O. B. IRVINE, Esq., Acting Agent to the Governor of Fort St. George in Vizagapatam, to the Acting Chief Secretary to Government, dated Vizianagrum, 1st December 1879, No. 383.*

I have the honor to submit, for the sanction of Government, Budget Estimate for Petty Construction and Repairs to be executed in the Agency Tracts of this district during the official year 1880-81.

2. *New Works—(a) Roads.*—A sum of Rs. 8,480 is provided under this head against Rs. 7,094 in the current year.

SPECIAL ASSISTANT AGENT'S DIVISION.

3. Of the allotted sum of Rs. 7,094 Rs. 4,416 were sanctioned for the construction of roads in the Special Assistant Agent's Division. Of this sum Rs. 2,003 were spent by him up to the end of October last, and the balance of Rs. 2,413 will be utilised during the remaining part of the current official year. Rs. 4,250 is now provided for expenditure in his division on the following roads during the ensuing year:—

	RS.
High Road, No. I, Section III.—Nowrangpur to Raighur	225
„ „ II, Section II.—Jeypore to Kollar	400
„ Section III.—Kollar to Govindapilly	900
„ „ IV.—Govindapilly to Mote	2,725
Total	4,250

4. *High Road, No. I.*—With regard to this road the Special Assistant Agent observes: “I admit to the full the importance of continuing this northern road. It is solely a question of money. If a grant of only 10,000 rupees be made, it will go no further than keeping up the completed roads in an efficient manner and putting into a higher degree of completeness the unfinished road between Jeypore and Mote.” Rs. 3,000 was provided for this road in the current year's budget, but the Government having sanctioned only Rs. 10,000 out of Rs. 14,960, the sum budgeted for, the entire allotment for this work was expunged by the late Agent. Considering the present state of financial affairs I do not venture to make any proposals regarding this work, but only provide Rs. 225 for the maintenance of a track of nine miles opened out in 1877-78.

5. *High Road, No. II, Section II.*—A sum of Rs. 1,500 was sanctioned for this road (Jeypore to Borigumma) during the current year. No portion of the allotment was spent up to October, but Mr. Tremenhoe writes that it will be spent and asks for a further grant of Rs. 400, at the rate of Rs. 25 per mile, to provide for the road's completion. I trust this may be granted.

6. *Roads from Jeypore to Kollar and from Kollar to Govindapilly.*—Rs. 1,840 was sanctioned for these roads during the current year, of which Rs. 927 was spent up to the end of October last, and the remainder Rs. 913 will be expended in the remaining portion of the year. Rs. 900 for the former section and Rs. 2,725 for the latter are now provided as the track from Kollar to Govindapilly crosses a difficult pass and requires at least Rs. 50 a mile to maintain a six-foot trace and to bridge over some of the streams.

SENIOR ASSISTANT AGENT'S DIVISION.

7. A sum of Rs. 3,130 is provided for the construction of the roads noted in the margin in the Senior Assistant's Agent's Division against Rs. 2,630 of the current year.

Rayaghada to Singapur	Rs. 1,000	
Chollapadam to Rayaghada	1,630	
Rayaghada to Bisemkatak	500	
Total	3,130	

The road from Rayaghada to Singapur is at present the most important work in this Division, and Rs. 1,000 is proposed to be expended upon it against 500 of the current year.

With regard to the two other roads the grant of the current year is retained.

PRINCIPAL ASSISTANT AGENT'S DIVISION.

8. Regarding works in the Principal Assistant's Division, I have to refer the Government to my letter, No. 576, dated 27th ultimo, in which proposals were made for the redistribution of Rs. 870 sanctioned for the current year and sanction was solicited. The revised allotment is now adhered to.

9. Rs. 48 was allotted in the current year for the purpose of sloping the nullahs from Gudem to Lambasinghi. Rs. 100 is now provided for the same. Three hundred rupees is provided for clearing jungles and sides of roads, and a further sum of Rs. 700 for three tracks, two of which are new, referred to in the margin.

New track from Koyyur to Addategala	Rs. 200
From Koyyur to Chódavaram	200
Government Bullock track	300

10. As for the new tracks proposed to be opened, they are, in the words of the Principal Assistant Agent, "intended to avoid the Potulur Ghat where the advance of Major Blaxland was interrupted by Chendriah in June, and which has been described as a trap to invite the attacks of robbers and as being very steep."

11. Mr. Willock, who by his recent tours in the hills has acquired a thorough knowledge of the country, urges the necessity of improving a bullock track now existing which is traced from Addategala to Raipilli and thence through part of the Rampa country to Samagedda and beyond Samagedda until it again comes into the Vizagapatam District a few miles south of Guditeru and on to Darakonda and Malkangiri. As there can be no question regarding the expediency of improving any lines of communication now existing which would facilitate access to the Golconda Hills and Jeypore, I recommend that Mr. Willock's recommendation be adopted, for which purpose a sum of Rs. 300 has been allotted.

SPECIAL ASSISTANT AGENT'S DIVISION.

12. (b.) *Buildings.*—Of the sum of Rs. 1,200 sanctioned for seven bungalows in the Special Assistant Agent's Division, Rs. 138 was spent up to the end of October last, and the remaining sum of Rs. 1,062 will be spent before the close of the year. The

| 2. Kotamatla. | 4. Kalimela. |

Special Assistant Agent now proposes to erect four bungalows, at places noted in the margin, as at present selected, and Rs. 600 is provided for them. He will shortly visit these places and asks to be allowed to fix the different sites definitely hereafter, which request, I submit, may be accorded.

SENIOR ASSISTANT AGENT'S DIVISION.

13. Rs. 1,600 was sanctioned for the construction of Gunupur Cutcherry and Police room and has been expended. Of the sum of Rs. 200 sanctioned for Komatlapeta Bungalow, Rs. 85 was spent to the end of October last, and the remainder will be spent in the course of the year. No provision under this head is made for the ensuing year.

PRINCIPAL ASSISTANT AGENT'S DIVISION.

14. The importance of sheds in connection with the Police Stations was explained in my letter, No. 576, dated 27th ultimo, and three such sheds are now proposed to be erected at Koyyur, Chódavaram, and Addategala, for which Rs. 150 is provided. A sum of Rs. 300 is also proposed to be spent for the construction of two bungalows at Lotugedda and Dharakonda.

SPECIAL ASSISTANT AGENT'S DIVISION.

15. *Repairs.*—Out of the sum of Rs. 4,424 provided in the current year's budget for maintaining roads in the Special Assistant Agent's Division, Rs. 1,010 was spent up to the end of October last, and the remaining sum will be expended during the remaining part of the year. Under this head a sum of Rs. 5,150 is now provided as shown below :—

	Rs.
Branch Jeypore to Borrigumma	350
Road No. I, Section I, Pottinghi to Koraput	1,400
Section II, Koraput to Nowrangpur	1,800
Borrigumma to Kotapad	900
No. 2, Section I, Koraput to Jeypore	700
Total	5,150

16. Road No. 1, Section I, is complete as far as Nowrangpur. Its present condition, as observed by the Special Assistant Agent, varies much in different parts, being excellent near Koraput, but towards Borrigumma such that many travellers prefer the circuitous and troublesome route through Jeypore. Rs. 1,400 is provided for repairs to this road. The other roads call for no remark.

SENIOR ASSISTANT AGENT'S DIVISION.

17. Rs. 2,400 was provided for repairs in the Senior Assistant's Division in the current year. Rs. 122 was spent up to the end of October last and the remaining sum will be utilised during the remainder of the year.

A similar amount is provided under this head in the budget for 1880-81.

PRINCIPAL ASSISTANT AGENT'S DIVISION.

18. Rs. 300 are provided for repairs to Lambasinghi and Koyyur Ghats against 363 of the current year.

SENIOR ASSISTANT AGENT'S DIVISION.

19. *Buildings (Repairs).*—Under this head Rs. 190 was provided in the current year's budget for repairs to the Sub-Jail at Gunupur and to the Cutcherry at Rayaghada. The necessary repairs to Rayaghada Cutcherry have been executed, Rs. 150 having been spent for the purpose. The Sub-Jail at Gunupur will be repaired shortly.

Rs. 50 is provided in the budget for 1880-81 for repairs to the bungalow at Rayaghada.

PRINCIPAL ASSISTANT'S DIVISION.

20. Rs. 150 is allotted for repairs to existing bungalows and salaries of men in charge of them against Rs. 120 of the current year, the excess being for necessary repairs.

21. The whole amount provided for New Works and Repairs is 17,580 as shown below:—

Jeypore Country including Rayaghada and Gunupur.

	RS.
Roads—New Works ..	7,380
Repairs ..	7,550
Buildings—New Works ..	600
Repairs ..	50
Total ..	15,580

Golgonda Hill Tracts in the Principal Assistant's Division.

	RS.
Roads—New Works ..	1,100
Repairs ..	300
Buildings—New Works ..	300
Repairs ..	150
Total ..	2,000
Grand Total ..	17,580

22. The Maharaja of Jeypore has for two years reduced his contribution from Rs. 6,000 to 4,000. This sum being deducted from the whole provision of Rs. 17,580 there remains a balance of Rs. 13,580, for which I have the honor to solicit the sanction of Government.

23. I have here to state that the figures given in the budget under the head of "Grant" for 1879-80 do not tally with those given in the current year's budget as in some cases the provision was reduced and in some raised owing to the retrenchment made by Government in their Order, No. 2090, dated 25th November 1878, Financial, and by the balance of the Maharaja's contribution of the past year's available for this year.

I may also state that the small amount of Rs. 5,109 expended up to the end of October last should not be adopted as a standard for gauging the estimated expenditure for the whole year, because the principal working season is from November to March.

No. 70. ORDER THEREON, 11th December 1879, No. 2343.

The Agent to the Governor in Vizagapatam submits the Budget Estimate for "Petty Construction and Repairs" for 1880-81, with explanation of the variations as compared with the estimate for 1879-80. He states that the small amount expended up to the end of October last should not be adopted as a standard for gauging the estimated expenditure for the whole year, because the principal working season is from November to March.

2. The estimate provides for—

New Works.

	RS.
Roads ..	8,480
Buildings ..	1,050
Total ..	9,530

Repairs.

	RS.
Roads ..	7,850
Buildings ..	200
Total ..	8,050
Grand Total ..	17,580

Of this amount the Maharaja of Jeypore will contribute Rs. 4,000 towards roads, and the Agent asks that the balance Rs. 13,580 may be sanctioned.

3. The expenditure in 1877-78 aggregated Rs. 8,959. The actuals for 1878-79 are set down at Rs. 14,164, while the computed expenditure in 1879-80 is Rs. 12,821. The average expenditure for the three years does not exceed Rs. 11,981.

4. The Agent has explained the necessity for the works estimated for, and sanction is granted for an allotment of Rs. 13,000 for 1880-81.
