Additions to Provincial Grants 49693

This amount became an addition to the Prov^d grant under the circumstances mentioned in Part I. The Govt very likely did not intend such an addition, and with a view to its removal it will be necessary to retransfer the amount to the sources from which taken, and reconstitute the Govt reserve under Civil Buildings by a transfer from specific appns.

The amount if allowed to remain will have to be reported to the Govt of India, and this office informed under what funds the reduction is to be effected.

The appns Returns of the 1st Circle have not yet been received. Those of the 5th Circle were not received in time to be included in this Return.
