No. 1

North Arcot
Chittoor Division Office
5th January 1879.

From

The Ag. Executive Engineer
Chittoor Division North Arcot

To The Superintending Engineer
Sd. Circle Madras

Sir,

I have the honor to inform you
that from a conversation I had re-
=cently with the Accountant General
Public Works Department, I gathered
that officers from the Executive
Branch of the Department, would
be willingly received for a period
into the Accounts Branch.

2^d I am now acting in charge of
a Division and, from my standing
I may reasonably expect before
long to have a permanent Divi-
=sional charge. As in that position
a more thorough knowledge of
Accounts than I now possess will
be of great assistance to me, I
am induced to offer my services
to the Accounts Department.

3^d I have reason to believe that

the present time is a favorable
one for such a step, as a temporary
vacancy is likely to be immedi-
ately available, but before taking
any further action in the matter,
I respectfully request that
an enquiry may be addressed
to Government on my behalf, as
to whether, if my services are
temporarily placed at the
disposal of the Accountant
General, my name may continue
on the list of Executive Officers,
and that my promotion may
go on in that list in due order.
4th I make this request, for
neither, I believe, does the Account-
ant General, consider it advisable
to remain permanently in the
Accounts Branch, nor should
I wish thus to remain. So that
if after a period of accounts
work, I desired to return to
Executive duties, I might do so,
without a loss of standing
having resulted from my absence.

I have &c

Public Works Department

Sir,

Encl.

I have the honor to forward for orders, the enclosed copy of letter No. 1 dated 5th January 1879 received from Mr. C. Vincent Assistant Engineer offering his services for the Account branch of the Department as a temporary measure I have received no communication on the subject from the Accountant General Public Works Department but as you may be aware of any rules that may have been passed in the matter. I forward the application to you and would observe that it would be advantageous to the Public Service that the Executive officers of the Department

should have some knowledge of
the work done in the Examiner's office.

I have the honor to be
Sir

Your most obedient servant

IN MY LETTER NO. 421. W. OF THE
14TH. INSTANT, I REMARKED THAT
SHOULD LT. BEAUCLERK HAVE TO GO
AWAY ON SICK LEAVE, I SHOULD PRO-
BABLY REQUIRE A DEPUTY TO ACT FOR
HIM.

THIS IS THE VACANCY TO WHICH MR.
VINCENT ALLUDES. I DO NOT THINK
MR. VINCENT WOULD DO TO TAKE MR.
BEAUCLERK'S PLACE, BUT I SHOULD
BE VERY GLAD TO HAVE ^{him} ATTACHED
HERE FOR A MONTH OR TWO, AND TO
TEACH ^{him} ALL I COULD DURING THAT
TIME. I AGREE WITH THE SUPER-
INTENDING ENGINEER CONC. CIRCLE IN
THINKING THAT IT IS FOR THE GOOD
OF THE SERVICE THAT OFFICERS OF
THE EXECUTIVE BRANCH SHOULD BE AT-
TACHED TO THE EXAMINER'S OFFICE
FOR SHORT PERIODS, AND ALL WORKS
BEING STOPPED, THIS APPEARS A
FAVORABLE TIME FOR DOING SO.

YOU MIGHT, IF GOVERNMENT
APPROVE, FORWARD MR. VINCENT'S AP-
PLICATION FOR THE FAVORABLE CON-
SIDERATION OF THE GOVERNMENT OF
INDIA.

FOR ORDERS.

Mr. Vincent wishes to
be attached temporarily
to the Accounts Branch
with retention of his
name on the Executive

I do not share the feeling
of objection to the proposal
on the grounds stated —
I believe Mr. Vincent
to be not fairly naturally
in a state of temporary
arrang^t. that the Govt.
propos^d & I am not
doubt that the Govt.

R.P. will do so by order

list - i.e., that while he
is doing purely accounts
work he should sur-
render none of his
claim to advancement
in the Executive Branch.

The Chief Engineer
does not consider this

to be fair to Officers
of the Department em-
ployed on Executive
duties.

If the Account Dept.
are willing to accept
Mr Vincent's services as
a permanent arrange-
ment, the Chief En-
gineer sees no objection
to their being made
available - but he
decidedly objects to
Mr Vincent being al-
lowed to quit, as a
temporary expedient,
his Engineering duties

for others outside his
profession.

The Chief Engineer
can moreover see no
necessity for any such
arrangement - Mr Vincent
should, like all other
Engineers, acquire the
requisite knowledge of
Departmental Accounts
in the course of the
discharge of his
duties.

Mr Vincent's services
will like all others
be eventually needed
during the 2 or 3 months
slack time in completing
Estimates, Projects,
Measurements &c -
So good an opportunity
for picking up arrears
of which will not again
occur - & &c &c &c in the course of the
see that
Sh. as directed in former
order - ~~that~~ every one official
to make of it
