No. 130. *Telegram from His Excellency the Viceroy, to His Grace the Governor of Fort St. George, Ootacamund, dated Simla, 28th July 1879.*

Financial Resolution, No. 410, dated 1st May. We propose that your Provincial Assignment should be reduced for next year only by eight lakhs. If your Government consent to this all special restrictions upon your control over your Provincial expenditure will immediately be withdrawn and any Provincial savings this year will belong to you. So long as exchange remains uncertain it is impossible to make any engagement beyond next year. All that we can say is that it will be our earnest desire to curtail Provincial resources as little as possible; meanwhile till end of next year we should, if you consent to surrender eight lakhs, make no other claims upon you except for the saving by any actual reduction of superfluous Public Works Establishment. Any savings which you may find practicable in expenditure, which, though still Imperial in Madras is Provincial elsewhere, may be deducted from the aforesaid eight lakhs. Bengal has already agreed to give twenty lakhs. On this principle Burma six, Assam three, Punjaub six; and we expect fifteen from North-Western Provinces, five from Central Provinces, and eight from Bombay.

No. 130-A. *Telegram from His Grace the Governor of Fort St. George, to His Excellency the Viceroy, Simla, dated Ootacamund, 15th October 1879.*

Your message 28th July, Financial Resolution, 410. Can accept reduction of next year's Provincial grant of eight lakhs, being allowed to credit any savings which may be realised this year on expenditure still Imperial here but Provincial elsewhere. The reduction will however nevertheless press seriously on even maintenance works. I hope if railway working results in an improved balance of four lakhs as compared with last year thus lessening the guarantee payments by that sum, quarter of it or one lakh may be allowed to count towards the eight.

RESOLUTION.—It has been settled in communication with the several Local Governments and Administrations that, in consequence of present financial necessities, each Provincial Government shall surrender to the Government of India a portion of its Provincial Assignment for the year 1880-81, and that any savings effected by the reduction of the Provincial Public Works Establishments shall also accrue to the Imperial Treasury. In consideration of these arrangements, the Government of India has withdrawn the restrictions placed by paragraph 13 of the Resolution of 1st May 1879 upon the control of Provincial Governments over their Provincial expenditure.

2. The amounts which the several Provincial Governments have agreed thus to surrender to the Government of India out of their Provincial Assignments for 1880-81 are as follow :—

	RS.
Government of Bengal	20,00,000
" of North-Western Provinces and Oudh	15,00,000
" of Bombay	8,00,000
" of Madras	8,00,000
" of Punjab	6,00,000

" Central Provinces	5,00,000
" Assam, about	3,00,000
Total	71,00,000

3. The Governor-General in Council thanks the several Local Governments and Administrations for the assistance which they have thus rendered to the Government of India in its resolution to maintain the finances of the Empire in a satisfactory condition.

ORDERED that this Resolution be communicated to the Public Works and Home Departments ; to the several Local Governments and Administrations concerned ; to the Comptroller-General, and to the Accountants-General and Deputy Accountants-General concerned.

No. 130-C. *From R. B. CHAPMAN, Esq., Secretary to the Government of India, Department of Finance, to the Acting Chief Secretary to Government, dated Simla, 6th November 1879, No. 3632.*

In the correspondence marginally noted it has been settled, among other arrangements, that, in consequence of the existing financial necessities, the Provincial Assignment of Madras shall be reduced in 1880-81 by Rs. 8,00,000, and, further, that any savings effected by the reduction of the Provincial Public Works Establishments shall accrue to the Imperial Treasury. On the other hand, any savings which may be effected this year in expenditure, which, though still Imperial in Madras is Provincial elsewhere, shall be deducted from the aforesaid eight lakhs.

2. I am desired to convey the thanks of the Governor-General in Council to the Government of Madras for their consent to these arrangements ; but to say that His Excellency in Council regrets that he cannot sanction the surrender to that Government of a share of any improved railway receipts.

3. The special restrictions enjoined in Financial Resolution, No. 410, dated 1st May 1879, are now withdrawn, and the Government of Madras may, for the present, regulate its Provincial expenditure in all Departments at its discretion, subject only to the general rules and restrictions which govern that expenditure.

4. The Governor-General in Council, however, thinks it desirable to ask His Grace the Governor in Council to bear in mind that the Government of India cannot now guarantee any of the Local Governments against retrenchment of their Provincial Assignments for 1881-82 and subsequent years. Although there will be every desire on the part of the Government of India to interfere to the least possible extent with the arrangements formerly made and to make no retrenchment that it is possible to avoid, His Excellency in Council sees too much reason to apprehend that continued retrenchments may be necessary. Under these circumstances, His Grace the Governor in Council will, the Government of India has no doubt, take care that, in the management of the Provincial finances, such a contingency is always kept in view.

The papers above recorded and the orders of this Government, dated the 29th November 1878, No. 2128, and 14th May 1879, No. 921, show the steps taken by this Government towards meeting the intended reduction of Rs. 8,00,000 in the Provincial Assignment by reduction of expenditure in those heads of service which are Provincial in Madras or Provincial in other Presidencies though Imperial in Madras.

2. His Grace the Governor in Council resolves further to direct that expenditure on works under Provincial be limited in every department to essentially necessary works of maintenance and completion, and that no department be allowed to incur any Provincial expenditure, for any purpose, beyond authorizations expressly made, without the previous sanction of Government.
