PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st November 1879.

Read the following Proceedings of the Madras Government, dated 16th October 1879, No. 1,981, Financial Department :—

ABSTRACT.—*Local Funds—Reports.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Report of the Chingleput Circle for 1878-79.

COMMUNICATED to the President, Local Fund Boards, Chingleput District.

2. *Paragraph 1.*—The instructions contained in this paragraph will be attended to in the Board's reviews of the current year's Local Fund reports, all the reports for the past year having already been submitted to Government.

3. *Paragraph 2.*—The attention of the President is drawn to the remarks in this paragraph, and he is requested to furnish the information called for regarding the short collections of land-cess in the shrotriem villages and the particulars of the years to which the arrears of land-cess relate.

Damal tolls	...	...	...	...	...	Rs.	1,231	Adverting to the remarks of Government in regard to tolls, it will be observed from the marginally noted figures that the toll collections have been apportioned between the Chingleput and Saidapet Circles in accordance with the arrangement approved in G.O., Financial Department, dated 13th February 1878, No. 280. The sum of Rs. 153-12-0

referred to by Government is one-fourth salary of the Hospital Assistant attached to the Chingleput Dispensary debitable to Provincial Funds. One-twelfth of the amount should however have been debited to these funds in each month as it fell due instead of its being shown as a receipt and Local Funds charged with the full amount of the Hospital Assistant's salary. The President will in future debit Provincial Funds with one-fourth of the salary and debit the remaining three-fourths only to Local Funds.

4. *Paragraph 3.*—From the progress reports received in this office, it appears that expenditure in excess of allotment was incurred on the work noted in the margin which is one of the three works from the total allotment for which a sum of Rs. 2,175 was surrendered—*vide* Board's Proceedings, dated 20th March 1879, No. 738. The President is requested to ascertain and report why the reduced allotment was exceeded. With reference to the remark that the Government note that the roads in the circle were maintained in proper order at half the cost provided in the budget, the Board observe that figures subsequently received seem to bear out the Board's view that in the absence of audited figures it was impossible to say how far the recorded Public Works expenditure really represented the year's operations. According to the latest figures received, the expenditure on road repairs amounted to Rs. 45,972 against a sanctioned allotment of Rs. 31,780. Deducting from this refunds to the extent of Rs. 21,533, there remains an actual outlay of Rs. 24,439 or 76.9 per cent. of the allotment. Even this result may be subject to modification on receipt of the President's remarks on the audited figures.

5. *Paragraph 4.*—The President's attention is drawn to the remarks of Government in regard to the extirpation of prickly-pear, and he is requested to adopt early measures for this purpose. The omission of any charge for controlling establishment is due to the amounts having been advised by the Accountant-General after the date of the submission of the President's report.
