The Chief Engineer
Public Works Department.

SIR,

I have the honor to forward herewith another application submitted by Asstt Engineer S. Soobraya Charriar for permission to retire under the Government of India Resolution No 2079 of 31st July 1879, which he requests may be reconsidered with reference to G.O. No 3006 W dated 26th November 1879. In G.O.ˣ No 3137 W dated 9th December 1879 it has been decided that Government are not prepared to receive further applications for voluntary retirements but as the Asstt Engineer had already previously applied for it, I submit his present application.

will (it is gathered from Mr Lowry's letter) depend the treatment of many other tanks.

The Court of Wards have asked Govt. to obtain the opinion of the Ch. E. for I. on the proposals. Col. Mullins has his hands full of ordinary work, and the examination of this particular project will, it is imagined, give him some little trouble. Considering that the Secretary in the General Branch was also Chief Engineer, it seemed to me tha there were obviou objections to i orders puttin extra work o Mullins with approval

Madr

SIR,

I have the honor to inform you that in communication with the Examiner of Public Works Accounts, I have ascertained that Mr J. T. Maddox of his offic is an officer of considerable experience who would be likely in every way to satisfactoril fulfil the duties of the Joint Account Officer with the Madras Irrigation and Canal Compan at Kurnool and I propose that Mr Maddox should be made the joint officer in lieu of the present temporary arrangement whereby the duties of the appointment are being carried on by the Head Accountant from this offic

Mr
