GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT

31st January 1879, No. 130 W.

Madras, 31st Jan 79.

Civil Works.

Read the following papers:

No. 291. From M. N. PHILLIPS, Esq., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department (Madras), dated 25th January 1879.

I have the honor to report that yesterday it was discovered that the steam tug *Hopper Barge* had run aground, having damaged the shore of the stone pier at the entrance to the harbour.

It is in a rotten state.

It is impossible to move it, and I therefore ask that the Government should order its removal.

There would be great difficulty in moving it, and it is a Government property. It is a Government tug, and it is a Government tug. It is a Government tug, and it is a Government tug.

Considering the urgency of the case, I would respectfully request that the tug be sent to the harbour for the purpose of being taken to the shore of the pier in any dock available at the harbour.

No. 291 A. Telegram from the Secretary to the Government of India, Public Works Department, Calcutta, to the Secretary to the Government of Madras, Public Works Department, dated 25th January 1879.

Your telegram of twenty-eighth, Government of India will be forwarded to the Government of Madras for consideration.

No. 291 B. Madras, 31st January 1879, No. 130 W.

The Commander of the *Hopper Barge* will be instructed to take the tug to the shore of the pier and to agree with the Harbour Commissioners as to the cost of the work. It is a Government tug, and it is a Government tug.

The assistance of a tug may be engaged if necessary.

(True Extract)

To the Superintendent, Madras Harbour Works,
Master of the *Hopper Barge*,
Public Works Department,
Madras.

Hopper Barge Hobart
Report of 1st. Division
MADRAS

MADRAS HARBOUR WORKS.

January 28th 1879.

From J. N. Horwood Esq.

Superintendent Madras Harbour Works

To

Colonel L. A. Ford. R. L.

Secretary to Government.

Public Works Department

(Buildings & Roads.)

Sir,

I have the honor to report that yesterday it was discovered that the Scur Hopper Barge "Hobart" had received such severe damage to the doors of the stone compartment that she was rendered unfit for service.

2. Two divers examined the doors and pronounced the wood work to be in a rotten state, although the iron plates which covered it appeared sound.
3. It is impossible to repair the damage properly without going into dock and

therefore ask that the vessel may be sent to Calcutta to be repaired.

4. Time would be saved if a private dock were used for the purpose, but as the "Hobart" & "Salisbury" are Government steamers it will be necessary to obtain the sanction of the Government of India before they can be docked elsewhere than in a Government Dock.

Considering the urgency of the case I would respectfully ask that a telegram be sent to obtain sanction for docking the Hobart (& if necessary the Salisbury) in any dock available at Calcutta.

I have the honor to be

Sir

Your most obedient servant

J. H. H. H. H. H.

Superintendent. P. M. H. H. H.

Alan
