Letter from the Secretary of State for
India N. 12 d/19th Dec. 1878.

Remarks thereon.

It will be seen
from the order in the
Public Dept. N. 967 of
17th June 1878 that Mr.
Jackson solicited the
patronage of Govt. to his
Map of Madras.

He should, however,
have applied through
his official superior, the
Deputy Chief Engineer,
and should not have
addressed the Secretary
of State direct.

Mr. Jackson explains

The Stat is due
as Mr Jackson. amplified
of publ. the map in his
private capacity. He did
not then use his official
designation in applying
for patronage. He assumed
it has been ascertained
that house was
made of the Govt.
R.L.

in the accompanying paper
that the Map has been
prepared in his leisure
hours, and is being sold
on his private account.

There seems no objection
to permission being granted
for the issue of his map,
as well as the other works
on which he states he is
engaged.

The irregularity
of his action, however,
in communicating directly
with the Chief Secretary
to Government and the
Secretary of State will
be pointed out to him.

Orders are requested
for the disbursement of
the

Sum in bringing on the
Map. Let him be
copy of it.

In the continuation
publications seem to be
in connection with
his professional duties.
It is presumed the least
not official materials for
the Govt. to be kept.

This has been
ascertained

To the Chief Assistant,

With reference to His
Grace the Governor's query,
I beg respectfully to state,
that I was not aware that,
such permission was
necessary, because, the
map in question is a private
publication, & the work of
my leisure hours. As
such I have offered it for
sale to the Public, & Copies
have been purchased by
many, & the Chief Secretary
to Government of Mexico
has also kindly purchased
one for the use of his Office,
vide G. O. No. 967. D
17th June 1878.

The circumstances
which have elicited this
explanation, make me feel,
that I ought to inform
you, that I have two other
works ready for the Press;
(like the map - the work of
my leisure hours,) & to request
you will obtain for me permission
to publish them, if such permission
is necessary - One is a
short Scientific treatise on
Architecture, the other is
the History of Fort St.
George its Church and
Marbles.

(H.R. No. 12 of 19 Dec. 1878)

My Lord

copy in sheets, colored,
of Mr Jackson's Map
of Madras.

The Map has been
prepared by Mr Jack-
-son in his leisure
hours and from un-
-official materials -
and there seems there-
-fore no objection to
its sale by Mr Jack-
-son on his private
account. His action
however in addressing
your Lordship direct
was irregular. The in-
-regularity has been
pointed out to him.
