GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

5th February 1879, No. 379 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 44. From Major S. C. CLARKE, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated St. Thomas' Mount, 27th January 1879, No. 375.

I HAVE the honor to submit herewith an estimate, amounting to Rupees 420, for repairing the District Munsif's Court-house at Arni in the Vellore Division,

One Estimate. North Arcot District, for the sanction of
„ Specification Report.

Government, as the amount of the estimate exceeds one-fourth of the valuation of the building, viz., Rupees 600.

2. The estimate has been approved and countersigned by the District Judge and, in the event of its being sanctioned by Government, an allotment of funds for the same is requested.

No. 45. ORDER THEREON, 5th February 1879, No. 379 W.

THE estimate of Rupees 420, for repairing the District Munsif's Court-house at Arni in the North Arcot District, is sanctioned.

2. Funds are provided from the Reserve.

Such work as is necessary to secure the safety of the building, part of which is said to be in a dangerous condition, should at once be carried out.

G. O. No. February 1879, No. 379 W.

FEBRUARY.

Nos. 44-45.

District Munsif's Court-house at Arni,
North Arcot District. — Sanctions estimate and
provides funds from the Reserve for repairing the —

Specification to accompany Estimate for
Repairing District Munsiff's Court-house
at Arni.

Amount of Estimate Rs 1120.

The Building is portion of the old main Barracks in Arni Fort,
and consists of two Rooms 28' x 16' with Verandah on West
and South. The Rooms require sundry repairs chiefly Plastering
and Whitewashing, but the Verandah Roof is in rather a dangerous
state, as the Bamboos are old and worm eaten, and the
Tiles may fall in at almost any moment. The estimate has
been prepared on the requisition of the District Judge, and pro-
vides for the following work:

Brick in Chumam. Out-side steps will be provided for the new Door in the Clerk's
Room (hereafter described) will be 3 steps of 9" rise and 1' broad on
foundation 1' deep. After the Door lintels are put in, the Brick work
over the Doors will be properly rebuilt, also 9" on top of walls,
where roofing of Verandah joins, should be rebuilt, as the present
Roofing has admitted rain and the walls are injured.

Plastering. The floor of the Munsiff's Room and passage round same require
plastering, also all Verandah Pillars, and the foot of walls inside
where the Plaster has been destroyed all round.

Pointing in same way the foot of walls outside to be pointed.

Whitewashing. All walls inside and outside require whitewashing.

Plaster lime to be thoroughly scraped off with Trowels, and
2 coats of white wash applied, prepared of the best lime pro-
curable and sufficient lime water.

Roofing. The whole Verandah Roof requires to be renewed. Present Roof to be
taken off and had Palmyra Rafters rejected; the number of
new Rafters required is 12 and will be Teak. Teak Rafters to
be used with new Hot Tiles and Chumam Broomers. One half
of present Pan Tiles only may be used, the other half to
be provided new.

Teak wood. One length of Verandah Broomer of 14' is destroyed
by dry rot and is going away, should be replaced with

a new piece 6' x 7' Scantling, also 12 new Rafter
for Verandah 12' x 5' x 5 1/2" and lintels for three
Door ways.

Door. A door to replace a window, is required in the east
side of the Record Room, to prevent necessity for parties,
having to pay fees or other business in the clerk's room,
passing and repassing through the Court Room. The door
will be Oak, Battin, and same size as the others 7' x 4 1/2'.

Windows. Frames are at present very shaky, should be taken
out and replaced a little farther into the wall, and
properly built in at the corners so as to be secure.

Pandal, for East side similar to, and in continuation of, the
Pandal at the Deputy Collectors Office adjoining, to
shelter the windows and for parties attending the Court;
will be supported on Stone Pillars, Bamboos and Sank
Grass thatching.

Sandies will include new Rafter 79 as required for windows and
Doors, as also pointing the stone paved portion of the
Court Room 49.

Present Value of Building Rs 500.
Date and Cost of last Repairs not known,
but none for last ten years.
